Lessons from a Disabled Caregiver William G. Reed, 2021-07-30 Progressive, untreatable nerve and muscle diseases transformed the author's life from having been a college athlete to needing a wheelchair and special equipment for day to day activities. While dealing with his own conditions he was faced with the unique challenge of being the sole caregiver for his wife who suffers from Alzheimer's disease. He has written this experience based book to help people with life altering medical conditions and those dealing with challenging caregiving responsibilities. Comprehensive in scope it covers topics including grief, finances, safety, and end of life planning. This is a resource book containing many references aimed at helping the reader overcome their challenges, maintain their independence, and have happy, fulfilling lives.
