**The Oxford Handbook of American Sports Law** Michael A. McCann, 2018 The Oxford Handbook of American Sports Law is a timely and engaging compilation of commentaries by leading experts on the most significant issues in US sports law. The book blends analysis of historical and contemporary controversies with prescriptions for how courts and lawmakers can reconcile the competing interests of leagues, owners, and players. The Handbook also establishes a foundation for future research on sports law issues. As technology and social media alter the ways fans, athletes, and team officials interact, legal doctrine will be challenged to adapt, and the Handbook both forecasts these debates and outlines where the law may be headed.

*Handbook of Statistical Methods and Analyses in Sports* Jim Albert, Mark E. Glickman, Tim B. Swartz, Ruud H. Koning, 2017-02-03 This handbook will provide both overviews of statistical methods in sports and in-depth treatment of critical problems and challenges confronting statistical research in sports. The material in the handbook will be organized by major sport: baseball, football, hockey, basketball, and soccer, followed by a section on other sports and general statistical design and analysis issues that are common to all sports. This handbook has the potential to become the standard reference for obtaining the necessary background to conduct serious statistical analyses for sports applications and to appreciate scholarly work in this expanding area.

**The Orange Bowl** Tommy A. Phillips, 2023-01-23 The Orange Bowl has been played 88 times since 1935. Originating as the small Festival of Palms Bowl meant to attract tourists to Miami, it has grown into a national football event watched by 16 million people. Beginning with Bucknell's first victory over Miami, this book covers each Bowl in detail, including the first game in Miami Orange Bowl stadium in 1938, Charles Bryant's breaking of the color barrier in 1955, the four national championship games of the 1980s, the move to what is now Hard Rock Stadium in the 1990s, and the new era of the Bowl as a semifinal game in the College Football Playoff.

**Legends of the Jungle** Mark Powell, 2017-03-24 Boomer Esiason still holds the Cincinnati Bengals record for most passing yards in a game and is tied for the most 300-yard passing games. Jim Breech is the team's all-time leading scorer in points and remains a beloved figure more than twenty years after his retirement. Cris Collinsworth led the team in receptions and receiving yards several times in the 1980s and topped the team in receiving touchdowns three times. But these great players and many others aren't in the Bengals Hall of Fame, and it's for a simple reason: It does not exist. That needs to change, according to die-hard fan Mark Powell. By creating its own Hall of Fame or Ring of Honor, the team would be paying tribute to its great players and personalities. But it would need to determine who is eligible and who should be honored first. Get a detailed look at one of the NFL's most interesting franchises, discover its rich history, and decide for yourself who deserves to be among the Legends of the Jungle.
