*China, India, and East and Southeast Asia: Assessing Sustainability* Ray C. Anderson, Sam Geall, Jingjing Liu, Sony Pellissery, E. N. Anderson, Joel R. Campbell, Joanna I. Lewis, Muhammad Aurang Zeb Mughal, Mark Wilson, 2012-11-01 China India and East and Southeast Asia Assessing Sustainability provides unprecedented analyses by regional experts and scholars elsewhere in the world on China India and their neighbors Despite growing demands internally on their natural resources China and India alone are home to more than one third of the world's population the expanding global economic influence of this region makes these countries vital players in a sustainable future for all citizens of the Earth Regional coverage includes topics such as business and commerce environmental and corporate law and lifestyles and values *Serving Library Users from Asia* John Hickok, 2019-06-12 Asian populations are among some of the fastest growing cultural groups in the US While books on serving other target groups in libraries have been published e.g. disabled, Latino seniors etc. few books on serving library users of Asian heritage have been written Thus the timely need for this book Rather than a generalized overview of Asians as a whole this book has 24 separate chapters each on 24 specific Asian countries cultures of East Southeast and South Asia with a wealth of resources for understanding interacting with outreach to and serving library users of each culture Resources include cultural guides both print and online language helps with sample library vocabulary Asian booksellers nationwide cultural groups professional literature and more Resources and suggestions are given for all three types of libraries public school and academic making this book valuable for all librarians The demographics of each Asian culture numbers and distribution plus history of immigration and international student enrollment is also featured As a bonus each chapter spotlights a US public school and academic library providing model outreach to Asian library users Additionally this book provides a detailed description and analysis of libraries in each of the 24 Asian countries The history development facilities conditions technology classification systems and more of public school and academic libraries are all discussed with detailed documentation Country conditions influencing libraries and library use are also described literacy levels reading cultures languages and writing systems educational systems and more Based on the author's 15 years of research and travels to Asia this work is a must have for all librarians *Global Media Giants* Benjamin Birkinbine, Rodrigo Gomez, Janet Wasko, 2016-07-01 Global Media Giants takes an in depth look at how media corporate power works globally regionally and nationally investigating the ways in which the largest and most powerful media corporations in the world wield power Case studies examine not only some of the largest media corporations News Corp The Microsoft Corporation in terms of revenues but also media corporations that hold considerable power within national regional or geolinguistic contexts Televisa The Bertelsmann Group Sony Corporation Each chapter approaches a different corporation through the lens of economy politics and culture giving students and scholars a thoughtful and data driven guide with which to interrogate contemporary media industry power *The Vernacular* Hans Harder, Nishat Zaidi, Torsten Tschacher, 2023-09-01 This book examines the validity

of the notion of the vernacular and the position of the so called vernaculars in colonial and postcolonial settings It addresses recent formulations and debates regarding the status of regional languages of South Asia in relation to English The authors explore the range of meanings the term has assumed and trace a history of contestation since the colonial age They contend that though the vernacular in South Asia has since the nineteenth century often operated as a hegemonic category relegating the languages thus designated to an inferior status those languages and other cultural formations labelled as vernacular have also received empowering impulses and vested with qualities like groundedness and strength The book highlights the need for a critical discussion of the notion of the vernacular in the context of the ongoing rise of Anglophonia in South Asia as a whole and post liberalisation India in particular The volume will be of great interest to scholars and researchers of literary and culture studies history postcolonial studies and South Asian studies     Serials in the British Library ,2001
