**The Archer's Register** ,1879 The Corporate Overlords will be Kind: Campaign Finance, Representation and Corporate-led Democracy Radu George Dumitrescu, 2021-07-06 *The Corporate Overlords will be Kind* is a unique book in that it makes use of a multi pronged approach journalistic legal theoretical to find document and explain instances in which well known corporations such as Wal Mart Uber McDonald s Airbnb Gillette Nike and others have involved themselves as artificial persons in political and social debates involving aspects such as gender racism sexual minorities and gun ownership This book argues that these transnational multi billion dollar corporations that thrive in the globalized world market are forced to take explicitly political stances by the very environment in which they activate and by the consumers whom they serve taking on the latter s values and opinions and representing them to retain them as customers *The Corporate Overlords will be Kind* advances that corporations are now and will increasingly be the loudest voices in the political market square of the United States but that such a situation is not necessarily a cause for concern This book thus departs from the traditional scholarly views of Citizens United the 2010 landmark decision of the Supreme Court which granted free speech to corporations as persons as a woe to democracy and argues that the ageless deathless genderless nationless corporations will be the political representatives of the futures not political parties This book will appeal to undergraduate and graduate students specializing in social sciences

particularly politics history sociology and law Political professionals and journalists may also be interested in the book in addition to the general reader with interest in politics *BUSINESS MASTERY PRO* Prabhu TL,2025-04-02 Master 40
