Walmart Walking Workout Guide:

A Trucker's Guide to Weight Loss and Control Tracy Moore, 2019-08-03 The author's title for this book sets the stage for a detailed guide he took from being over sixty pounds overweight for his height while working within an industry that has the highest obesity rate for any industry within our country. The cover art is itself a clue of things to come. That's the author approaching his gym on wheels he used exclusively to tackle his desire to return to a healthy lifestyle. In his book, the author details everything from the foods he selected on a daily basis to the actual exercise routines and equipment he used to reach his goals. His whole goal while utilizing his truck trailer and minimal extra equipment to regain better health was both to provide a path for others wishing to do the same as well as prove what is possible on a day-to-day basis in an industry which realistically isn't geared toward the health of its drivers.

Slow AF Run Club Martinus Evans, 2023-06-06 A practical guide and a celebration of running for runners of all sizes and athletic ability from the founder of the Slow AF Run Club. Ten years ago, Martinus Evans got some stern advice from his doctor: Lose weight or die. First defensive but then defiant, Evans vowed that day to run a marathon, though his doctor thought he was crazy. Since then, Evans has run eight marathons and hundreds of other distances in his 300-something-pound body, created his own devoted running community, and has been featured on the cover of *Runner's World*. This book is a

blueprint for those who may not fit the image of a traditional runner that is someone who is larger in size less athletic out of shape or dealing with any kind of health issue that slows them down to feel empowered to lace up their shoes and embrace the body they have right now As Evans says the incredible benefits of running better sleep strong muscles and bones better cardiovascular and mental health and a sense of community can and should be available to all of us This practical handbook contains specialized advice to make getting started less intimidating covering everything from gear and nutrition to training schedules recovery tips races it s okay to come in DFL i e dead f cking last and finding a running group Full of essential advice and humor from a former newbie who fell off a treadmill on his first run literally The Slow AF Run Club is for anyone who wants to pick up running for the sheer joy of it *Wouldn't It Be Nice If . . .
