Hines,2021-04-20 How multinationals contribute or don't to global prosperity Globalization and multinational corporations

have long seemed partners in the enterprise of economic growth globalization led prosperity was the goal and giant corporations spanning the globe would help achieve it In recent years however the notion that all economies both developed and developing can prosper from globalization has been called into question by political figures and has fueled a populist backlash around the world against globalization and the corporations that made it possible In an effort to elevate the sometimes contentious public debate over the conduct and operation of multinational corporations this edited volume examines key questions about their role both in their home countries and in the rest of the world where they do business Is their multinational nature an essential driver of their profits Do U S and European multinationals contribute to home country employment Do multinational firms exploit foreign workers How do multinationals influence foreign policy How will the rise of the digital economy and digital trade in services affect multinationals In addressing these and similar questions the book also examines the role that multinational corporations play in the outcomes that policymakers care about most economic growth jobs inequality and tax fairness

The Forest for the Trees? Robert C. Repetto, 1988 Experts have clearly established the extent of forest decline and likely economic social and environmental consequences They have also discussed deforestation s principal causes This report goes further by showing how governments committed in principle to conservation and wise resource use are aggravating the losses of forests under their stewardship through mistaken policies Such policies by and large were adopted for worthy objectives industrial or agricultural growth regional development job creation or poverty alleviation But this study finds such objectives typically have not been realized or have been attained only at excessive costs
