

# WOODEN HOUSE

You may need to build a house to protect yourself and your possessions in Survival mode, or you might want to build a beautiful cottage in Creative mode. Whatever your requirements, houses are one of the most important constructions to get right.

## CONSTRUCTION MATERIALS

First, create a simple 3-block tall fence using stone blocks. Add a slight overhang at the front for an entrance and a slight dip in the back for a rear porch.

Build out the base floor with stone. To avoid this, you could like your entry to be the entrance of your 1x1x2 blocks of your choice and lead to a porch. Add on a porch if you'd like.

The glass blocks. To make windows and roof blocks to define the edges of your house. Add 2 rows of wooden blocks down for the entrance and 2 rows on either side of the roof. Finally, add red wool blocks and decorate your house.

**Minecraft Construction Guide: Your Key To Successful Construction In Minecraft**

Minecraft is a fun and exciting game that you can play, but many players feel limited with what they can do in this game because they don't know how to expand their construction projects. Constructing structures in Minecraft can help you improve your skills in planning. The thing is that there are many things that you can build in Minecraft aside from conventional forts. If you are one of the many people who want to learn how to build structures in Minecraft successfully, then this book is definitely for you. With this book, you will be able to learn the following:

- Learn about the types of houses that you can build in Minecraft.
- Chapter 1 also includes the different types of materials that you can use for different structures in Minecraft.
- This chapter teaches you about the basic things that you need for your Minecraft construction projects.
- Chapter 2 discusses different construction tutorials such as how to build elevators, walls, moats, ditches, and roofs.
- The tips included in this chapter include ways on how you can fortify your shelter against mob attacks.
- Chapter 3 will go beyond constructing houses. Once you have collected a lot of things in your inventory, you can start building a settlement.
- This chapter discusses about the different types of settlements that you can build in Minecraft as well as the things that you need to consider before building a settlement.
- Constructing buildings and other structures in Minecraft can be a daunting task. This is true especially if you don't have any idea on how and where to begin.
- Let this book serve as your guide so that you will become successful in all of your Minecraft construction projects.

The thing is that building structures in Minecraft should be challenging and fun at the same time. [Minecraft Building](#) Steve Crafty, 2016-12-25
