**An Unofficial Guide to Minecraft on PC/Mac** Lars Sawadsky,2020-01-12 A guide perfect for people who keep hearing about this game but have no idea what it is all about Beginners will rejoice when they find this great book to help them through their first moments Written by a kid who has been playing Minecraft since he was 6 this guide is an easy to access introduction for kids parents and grandparents alike In my opinion this is not so much a beginner s book as a glossary and a source of information about the characters setup and resources in the Minecraft world For example did you realize that to get the best of Creepers it is easiest to wait and watch until they start flashing white which means they have vaporized and an opponent can then easily run right through them The author also discusses tactics such as battling Zombies by constructing a narrow tunnel into a hill and then deploying at the narrowest point so as to force the enemy into 1 1 combat There are many practical tips

difficult to come by otherwise except by tedious trial and error In short this booklet might pique your interest as well as shorten your learning curve should you decide to try the game out *The Ultimate Guide to Minecraft Server* Timothy L.
