Trivedi,Balamurugan Balusamy,Krishnaraj Nagappan,Dinesh Krishnan Subramaniam,Daniel Arockiam,2025-06-30 This book
explores how the problem of global sustainability could turn into a major force for innovation leading to enhanced firm
performance It addresses whether proactive environmental strategy and innovation are integrated with a firm s performance
The goal of this book is to advance the rapidly developing field of sustainable business beyond the straightforward logic of
cost waste and risk reduction The authors offer significant insight into how internal life cycle design and external image and
reputation innovation strategies serve to mediate and possibly reinforce one another by investigating the relationship
between proactive environmental strategy and innovation in relation to firm performance The book includes empirical
research case studies and real world examples as well as lessons learned from the successful and unsuccessful
transformation initiatives of numerous international companies This book is primarily aimed at an academic audience of
scholars researchers and advanced students in the fields of finance economics sustainability innovation and environmental
studies and will also appeal to practitioners and industry experts in these areas The Publishers' Trade List Annual ,1978
