The Land of Christ Yohanna Katanacho, 2013-10-01 Palestinians and Israeli Jews live in one land yet as two distinct communities each of which claims ownership of the same territory. How are we to understand the divine promise pertaining to the land? Did God promise the land exclusively to the Jewish people? Do the Palestinians have a right to live in the land or does God want them to leave? After affirming important Palestinian Evangelical concerns, *The Land of Christ* challenges the argument that God gave the land to Israel. Yohanna Katanacho asks: 1. What are the borders of the land? 2. Who is Israel? 3. How did God give Israel the land? Through careful biblical exegesis, the book responds to these questions, exposing the superficiality of many slogans and claims. Then the book presents an alternative biblical theology of the land. However, the theology of the land in this book is intimately associated with the context in Israel/Palestine. The Palestinian Kairos Document is the most accepted representative of the current Palestinian context and theology. The book unpacks this document and extrapolates on its theology of the land. Finally, the author does not leave the reader without hope. Katanacho portrays Hagar as a symbol of hope and considers the Korahite Psalms from the perspective of refugees.

Resurrection and Spirit Brian W. Lidbeck, 2020-11-09 The preachers in Acts are Spirit-filled people who have one message to proclaim: the resurrection of the Lord Jesus. The themes of resurrection and Spirit converge at Pentecost when Peter boldly announces that the risen Christ has poured out the Holy Spirit. A new stage in redemptive history has arrived, but is it entirely new? As it turns out, the concept of resurrection is not new at all; it goes back much farther than many people realize and has its roots in the Pentateuch. At the same time, the Holy Spirit has advanced God's agenda from the very beginning. When these two eschatological themes meet on the lips of Peter at Pentecost, thousands suddenly realize who Jesus is. They acknowledge Luke's central teaching: Jesus is Lord and Christ. Resurrection and Spirit traces these two Lukan themes from the Pentateuch to Luke/Acts and invites the reader to discover a new depth of appreciation for Jesus the Lord and Christ.

A Voyage Around the Second Letter of Peter Terrance Callan, 2020-03-17 A collection of twelve previously published academic essays on the Second Letter of Peter. The essays illuminate selected features of this somewhat mysterious and rather neglected part of the New Testament. They invite further exploration of these features and of others not yet illuminated.

Priesthood and Temple in John's Apocalypse Timothy B. Tse, 2024-12-12 Timothy B. Tse argues that while John uses language drawn from the Hebrew Bible's descriptions of YHWH's dwelling place, scholarship has overlooked the importance of his spatial transformation of that language. Tse thus uses theories relating to Relevance Resistance Theory, Critical Space Theory, and Conceptual Metaphor to demonstrate that a significant part of John's apocalyptic strategy of resistance is to represent his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live. Tse first demonstrates John's attempts to relegate his audience's experience of space to his own revelation. John's description of the visionary world creates the metaphors: the earth is a Sanctuary and the Saints are its priests. Tse argues that under this

view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the Lamb's war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality **The Significance of Linguistic Diversity in the Hebrew Bible** Cian Power, 2023-03-10 Cian Power explores ideas about linguistic diversity from the Hebrew Bible including Hebrew and other ancient languages like Aramaic He argues that different ideas are linked to historical changes and show a concern for ethnic religious and other boundaries

The Christian Case against Contraception Bryan C. Hodge, 2010-01-01 Evangelicals often give little thought to the morality of contraception but when they do serious studies of the subject are scarce if not non-existent The Christian Case against Contraception seeks to fill this gap by evaluating the practice not from personal preference or mere experience but from the four major theological disciplines of Christianity Historical Biblical Systematic and Practical Theology and Ethics The book begins with a contrastive analysis between secular and ecclesiastical culture and thought concerning the subject of contraception and the purpose of the sexual act The claims of the Church that contraception is morally unacceptable is examined further as the book takes the reader on a journey through biblical systematic and practical arguments which establish the foundations of the Historic Church's claim Opposing arguments are evaluated as to their strength and validity In fact Hodge stirs the debate with a challenge that he has yet to see Christians set forth a valid biblical argument in support of contraceptive practices For the reader seeking to place procreative ethics under the lordship of Christ The Christian Case against Contraception offers a bold and clear way forward **Progressive Creation and the Struggles of Humanity in the Bible** Zoltan Dornyei, 2018-03-22 Why does the Christian walk often feel like an ongoing struggle and why does God's creation include imperfection let alone forces that are intent on thwarting God's creative work In seeking a response to these questions this book argues that the biblical accounts describe creation in terms of a progressive transformation process whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation The following discussion then outlines a comprehensive framework for the biblical theology of humanity's struggles centered on three key themes corporeal temptation deficient social structures and the much debated notion of spiritual warfare The book presents an overarching canonical narrative that threads together a series of diverse biblical topics from Job's temptation to the Atonement The final part surveys biblical teaching on how human conduct can be aligned with God's creative purpose and discusses three assignments from Jesus to believers to celebrate the Eucharist to pray the Lord's Prayer and to fulfill the Great Commission *The Ministry of Women in the New Testament* Dorothy A. Lee, 2021-02-16 Respected scholar Dorothy Lee considers evidence from the New Testament and early church to show that women's ministry is confirmed by the biblical

witness Her comprehensive examination explores the roles women played in the Gospels and the Pauline corpus with a particular focus on passages that have been used in the past to limit women's ministry. She argues that women in the New Testament were not only valued as disciples but also given leadership roles which has implications for the contemporary church *Church & Synagogue Libraries* ,2003 *John 1-11 MacArthur New Testament Commentary* John MacArthur,2006-03-01

How can a sinner have eternal life The gospel of John provides the answer by believing in Jesus Christ The claims Jesus made and the works He performed to validate those claims prove that He is the Son of God and the Savior of the world Nothing could be more relevant in today's world than this message of salvation Join John MacArthur as he explains each verse in a way that is both doctrinally precise and intensely practical *Catalogue of the Library ...* Hartford Young Men's Institute,1873

A Commentary on the Gospel of John David Pawson,2015-06-24 John is a remarkable Gospel utterly different from the other three It reflects the unique insights of the man who was closest to Jesus while he was on earth and is full of concern that we should not just know about what Jesus did but should also realize who he was It reflects too John's burden the believers in Jesus should not be side tracked by erroneous teaching whether concerning Jesus identity or the veracity of his claims He wanted believers to be absolutely sure that eyewitnesses Jesus own words and his astonishing works all point to one who was truly God come in the flesh the living Word the very glory of God among humanity John's collected evidence and proof all make the most compelling testimony to Jesus right to demand our on going trust and obedience *Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971* New York Public Library.
