**Opening the Qur'an** Walter H. Wagner, 2010-07-02 Opening the Qur'an can be a bewildering experience to non Muslim English speaking readers Those who expect historical narratives stories or essays on morals are perplexed once they pass the beautiful first Surah often shocked and then bogged down by Surah 2 and even offended by Surah 3 s strictures against nonbelievers Walter H Wagner opens the Qur'an by offering a comprehensive and extraordinarily readable step by step introduction to the text making it accessible to students teachers clergy and general readers interested in Islam and Islam s holy Book Wagner first places the prophet Muhammad the Qur'an and the early Muslim community in their historical geographical and theological contexts This background is a basis for interpreting the Qur'an and understanding its role in later Muslim developments as well as for relationships between Muslims Jews and Christians He then looks in detail at specific passages moving from cherished devotional texts to increasingly difficult and provocative subjects The selected bibliography serves as a resource for further reading and study Woven into the discussion are references to Islamic beliefs and practices Wagner shows great sensitivity toward the risks and opportunities for non Muslims who attempt to interpret the Qur'an and sympathy in the long struggle to build bridges of mutual trust and honest appreciation between Muslims and non Muslims *Exploring the Spirituality of the World Religions* Duncan S. Ferguson, 2010-08-24 Introduction to the

spiritual pathways of the major world religions exploring the core beliefs values and practices of each tradition **Opening the Qur'an** Walter H. Wagner, 2008 Walter H Wagner opens the Qur'an by offering a comprehensive and extraordinarily readable step by step introduction to the text making it accessible to students teachers clergy and general readers interested in Islam and Islam s holy Book Wagner first places the prophet Muhammad the Qur'an and the early Muslim community in their historical geographical and theological contexts This background is a basis for interpreting the Qur'an and understanding its role in later Muslim developments as well as for relationships between Muslims Jews and Christians He then looks in detail at specific passages moving from cherished devotional texts to increasingly difficult and provocative subjects The selected bibliography serves as a resource for further reading and study Woven into the discussion are references to Islamic beliefs and practices Wagner shows great sensitivity toward the challenges to non Muslims who attempt to interpret the Qur'an and sympathy for the long struggle to build bridges of mutual trust and honest appreciation between Muslims and non Muslims Jacket *An Introduction to Islam* Frederick Denny, 2015-09-21 An Introduction to Islam Fourth Edition provides students with a thorough unified and topical introduction to the global religious community of Islam In addition the author s extensive field work experience and scholarship combined with his engaging writing style and passion for the subject also sets his text apart An Introduction to Islam places Islam within a cultural political social and religious context and examines its connections with Judeo Christian morals Its integration of the doctrinal and devotional elements of Islam enables readers to see how Muslims think and live engendering understanding and breaking down

stereotypes This text also reviews pre Islamic history so readers can see how Islam developed historically

**Lot's Wife in Jewish, Christian, and Islamic Traditions** Josey Bridges Snyder Snyder,2025-11-21 Remember Lot s wife Jesus warned yet the woman he refers to remains an enigmatic nameless speechless biblical figure known only for being transformed into a pillar of salt Who was she What lessons were readers meant to take from her fate Early Jewish Christian and Islamic interpreters as well as readers today have all wrestled with these questions Josey Bridges Snyder analyzes examples from Second Temple literature early rabbinic midrash early Christian writings and Islamic tradition to trace how the cultural theological and historical contexts of these interpreters influenced their understanding of the narrative This book not only uncovers new insights into the ancient text and its many readers but reveals that interpretations are rarely as novel as they may seem

**An Introduction to the Study of Islam** Masudul Hasan,Abdul Waheed,1974

**An Introduction to the Religion and History of Islam** Ikenga R. A. Ozigboh,1988 This book provides an account of the origins development and character of Islam as a religion civilisation and form of society and instrument of power It covers the spread of Islam from Morocco through sub Saharan Africa to Afghanistan and from Turkey through inner Asia and Indo Pakistan to the East Indies over a time period from the sixth century AD until the second half of the twentieth century It includes a study of the prophet Muhammad a study of the basic principles of Islam a survey of the classical age and the Calliphal State and the emergence of Islamic sects and schools of law The latter part of the book studies globally the 500 years of the middle period of Islamic history and its politics Islam in modern times and concludes with a historical profile of Islam in Nigeria from its inception in the eleventh century until the present The author is a historian at the Univerity of Nigeria and a cultural Christian The work is based on fact and is essentially historcal in interpretation It intends to be scholarly in content but manageable for the general reader and particularly pertinent and informative in the context of Nigeria and existing anxieties between Christianity and Islam
