Lyft This Month Returns:

The Returning Home Collection Serena Bell, 2022-04-20 Four military heroes Four steamy emotional contemporary romances Four chances to fall in love Hold On Tight Mira Shipley is raising her son by herself far from family and the babysitter has just quit Then salvation appears in the messiest and hottest form possible Sam's real dad who's an Army Ranger Jake never knew he had a son and Sam never knew he had a father Now they're all in close quarters day after day There's no way for Mira to keep the alpha warrior at a distance and no way to protect her son's heart or her own Can't Hold Back Alia Drake loves her new job at the R R veterans retreat But there are certain lines a physical therapist can't cross and she's toeing one Her newest patient is Nate Riordan Alia and Nate have a history and not one she's proud of Alia knows she has to ignore her feelings for Nate and keep her hands where they belong But will she do any better at resisting temptation this time around To Have and To Hold Hunter Cross has lost a year A head injury during his last deployment stole his memories and the beautiful blue-eyed blonde living in his house is little more than a stranger to him He slept with her fell for her loved her and he doesn't remember any of it He knows he should send her away except that at night when she slips into his bed his body remembers hers But what will happen when morning comes Holding Out The answer has to be no of course No way Griff Ambrose is going to help Becca Drake lose her virginity Sure she's beautiful and hot as hell but she's his friend's little sister And Griff won't ever risk being hurt again like he was when he came home from war to find his house empty and his wife gone But how can he resist the woman he's always craved

Uber B. Yasanthi Perera, Pia A. Albinsson, 2020-01-16 Uber is one of the most innovative companies of our time This book provides a detailed analysis of the company and its success and goes beyond the headlines about safety and culture Many of us are so accustomed to using Uber today that the name of the innovative ride sharing company has become a verb as in to Uber somewhere and yet Uber has been around only since 2010 Uber has disrupted the ride hailing industry from making it easier and more affordable to become an Uber driver than a cab driver to rating riders as well as drivers As an early pioneer in using technology to create a new business model and new efficiencies Uber is considered one of the most important case studies in the sharing economy However little in depth information exists on this innovative company This book traces Uber's origin and evolution in the face of competitive pressures discusses the company leadership and corporate culture addresses such controversies as rider and driver safety and sexual harassment of female employees and explores how the company is addressing these challenges Students of business entrepreneurs and anyone interested in the development and exponential growth of the sharing economy will benefit from reading this book

A New U Ryan Craig, 2018-09-11 Every year the cost of a four year degree goes up and the value goes down But for many students there's a better answer So many things are getting faster and cheaper Movies stream into your living room without ticket or

concession stand costs The world's libraries are at your fingertips instantly and for free So why is a college education the only thing that seems immune to change Colleges and universities operate much as they did 40 years ago with one major exception tuition expenses have risen dramatically What's more earning a degree takes longer than ever before with the average time to graduate now over five years As a result graduates often struggle with enormous debt burdens Even worse they often find that degrees did not prepare them to obtain and succeed at good jobs in growing sectors of the economy While many learners today would thrive with an efficient and affordable postsecondary education the slow and pricey road to a bachelor's degree is starkly the opposite In *A New U Faster Cheaper Alternatives to College* Ryan Craig documents the early days of a revolution that will transform or make obsolete many colleges and universities Alternative routes to great first jobs that do not involve a bachelor's degree are sprouting up all over the place Bootcamps income share programs apprenticeships and staffing models are attractive alternatives to great jobs in numerous growing sectors of the economy coding healthcare sales digital marketing finance and accounting insurance and data analytics *A New U* is the first roadmap to these groundbreaking programs which will lead to more student choice better matches with employers higher return on investment of cost and time and stronger economic growth *Early English Text Society*, 1882 "The" English Charlemagne Romances [part. VII, VIII, IX, XII] S. L. Lee, 1887 **The Cambridge Handbook of U.S. Labor Law for the Twenty-First Century** Richard Bales, Charlotte Garden, 2019-12-05 Over the last fifty years in the United States unions have been in deep decline while income and wealth inequality have grown In this timely work editors Richard Bales and Charlotte Garden with a roster of thirty five leading labor scholars analyze these trends and show how they are linked Designed to appeal to those being introduced to the field as well as experts seeking new insights this book demonstrates how federal labor law is failing today's workers and disempowering unions how union jobs pay better than nonunion jobs and help to increase the wages of even nonunion workers and how when union jobs vanish the wage premium also vanishes At the same time the book offers a range of solutions from the radical such as a complete overhaul of federal labor law to the incremental including reforms that could be undertaken by federal agencies on their own **Calendar of Letters, Despatches, and State Papers Relating to the Negotiations Between England and Spain Preserved in the Archives at Simancas and Elsewhere: Henry VIII. 1509-[1546] 12 v** Great Britain.
