**Why Are Student Athletes Funding Your Future?** Dr. Ernest E. Cutler, Jr., 2016-01-05 Scholarship shortfalls persist leaving NCAA scholarship student athletes to pay hundreds and sometimes thousands of dollars for additional educational expenses not covered by their current athletic scholarships Meanwhile NCAA campuses continue to generate money from the sale of apparel and other merchandise featuring star athletes In this detailed study Ernest Cutler explores the troubling history of money changing hands with none of it going to student athletes who are for some reason considered amateurs that should not be eligible for payment He also takes a careful look about what such a system says about academic values and educational institutions as well as how the system contributes to infractions by student athletes coaches and athletic administrators This research study is not intended to disrespect the NCAA but it does seek to serve as a tool to change problematic policies that infringe upon the rights of current former and future student athletes     **The Official America Online Tour Guide** Tom Lichty, Jennifer Watson, 1998 No publisher description provided for this product     **Vertical File Index** , 2003     **Magazines for Libraries** William Armstrong Katz, 2003     *Management Information Systems for the Information Age* Stephen Haag, Maeve Cummings, Donald J.
