Transforming Food Systems: Addressing Malnutrition and Inequality in Low- and Middle-Income Countries Juliana Souza Oliveira, Margarida Liz Martins, Catarine

Santos Da Silva, 2026-01-09 The global food system has undergone significant transformations due to changes in economic and political status the built environment and lifestyle shifts particularly impacting low and middle income countries These

changes have contributed to the emergence of pandemics such as malnutrition obesity and food insecurity which are

exacerbated by social and territorial inequalities Space plays a crucial role in the distribution of goods and services

influencing the quality of human life and the inclusion or exclusion of communities Current research highlights the need to

address the social structural and commercial determinants of healthy eating to improve public health outcomes Despite the

recognition of these issues food insecurity and malnutrition remain prevalent affecting over a quarter of the global

population and contributing to the rise in obesity rates The agro industrial food system characterized by the high availability

of ultra processed foods perpetuates these challenges by influencing dietary choices and exacerbating poverty and inequality

There is a pressing need for studies that consider local contextual characteristics to develop effective public policies that

address these determinants and promote healthy eating This research topic aims to explore the complex interplay between

food insecurity malnutrition and the food environment in low and middle income countries The objective is to provide a

comprehensive overview of the latest findings analyze existing data and offer new perspectives on the challenges and

opportunities within this field By examining the local social commercial territorial and structural determinants of healthy

eating the research seeks to identify effective policy interventions and measures that can strengthen food systems and

environments ultimately improving public health outcomes To gather further insights in the context of low and middle income

countries we welcome articles addressing but not limited to the following themes Assessment of food insecurity in different

populations Unhealthy food environments that promote malnutrition and or food insecurity Evaluation of the food

environment across various dimensions Strengthening food systems and environments to protect public health Nutritional

status and the relationship between food insecurity and the food environment Food choices and their association with the food environment Policy interventions and measures around this topic Spatial analyses regarding the distribution of goods and services particularly in LMICs **Vietnam Economic News** ,2007-08-28 **California Management Review** ,2009

ENR. ,2006 **The Publishers Weekly** ,2006 **Canadian Almanac & Directory, 202** Grey House Canada,2019-12

The Canadian Almanac Directory is the most complete source of Canadian information available cultural professional and financial institutions legislative governmental judicial and educational organizations Canada s authoritative sourcebook for almost 160 years the Canadian Almanac Directory gives you access to almost 100 000 names and addresses of contacts throughout the network of Canadian institutions **Numéro spécial : Digital, IA et formation des adultes** ,2025-07-10

La formation des adultes connaît depuis plus d une décennie des transformations majeures grâce à la réalisation des dispositifs hybrides. L'essor de la réalité augmentée et l'explosion de l'intelligence artificielle ont entraîné des mutations considérables. Ce numéro exceptionnel de la revue Savoirs propose une synthèse des recherches internationales menées entre 2012 et 2024. Il se base sur l'analyse de plusieurs milliers d'articles scientifiques. Structuré en quatre parties, il retrace l'évolution des recherches sur le digital learning. L'analyse d'un corpus de 62 publications permet d'explorer l'impact de l'intelligence artificielle et d'en débattre. Les limites des études actuelles sont mis en évidence, ainsi que les avancées scientifiques et les lacunes de recherche. Le travail met également en évidence les défis et les opportunités pour la formation des adultes. Il plaide pour une approche plus cumulative et la création d'un observatoire international des technologies éducatives. Au-delà des lieux, ce numéro de la revue Savoirs questionne les enjeux de l'intégration raisonnée du numérique dans la formation des adultes. Il interpelle chercheurs, formateurs et décideurs sur la nécessité de repenser les modèles pédagogiques afin d'assurer un développement technologique et éducatif à la fois critique et scientifiquement fondé.

Associations Canada Laura Mars,2010-02 Associations Canada covers Canadian organizations and international groups including industry commercial and professional associations registered charities and special interest and common interest organizations. This annually revised compendium provides **Engineering News and American Contract Journal** ,2006

Varia ,2025-05-01 Ce numéro 67 Varia explore les parcours d'apprentissage et les transformations de la formation des adultes. La rubrique Articles de recherche présente quatre articles dans lesquels sont abordés l'appropriation de la validation des acquis de l'expérience VAE, l'impact des valeurs professionnelles sur l'accompagnement, les effets du confinement sur les pratiques pédagogiques et les enjeux de reconstruction identitaire dans les dispositifs de formation. Ces contributions mettent en lumière les tensions entre reconnaissance des compétences accompagnement et évolution des pratiques. La rubrique Enjeux théoriques propose deux articles qui approfondissent deux notions clés : les soft skills et les compétences transversales, encore mal définies et la notion de dispositif analysé travers un cadre conceptuel permettant d'interroger ses dynamiques et son valuation. La rubrique Vie de la recherche fait un état des lieux des thèses soutenues en 2024 et clarifie les tendances actuelles en matière de recherche en formation des adultes. La nouvelle rubrique Expériences de recherche donne la parole aux jeunes doctorants.
