Stephen P. Robbins, 2001 Stephen P. Robbins is a best-selling author of management and organizational behavior texts. In his new integrative, innovative introduction to business text *Business Today*, he uses a reader-friendly, conversational writing style. This new text is already receiving praise for its integrated emphasis on careers, e-business, technology, ethics, globalization, and other evolving issues. Robbins offers comprehensive coverage of traditional functions of business: marketing, management, accounting, finance, but with a fresh, real-world format covering the functions where it makes sense just as a business person would encounter them. The innovative approach of *Business Today* reflects the immense changes that have occurred in business practices. Robbins demonstrates that the new world of business is about identifying opportunities, creating viable strategies, building relationships, and providing quality goods and services. **Experiential Marketing** Wided Batat, 2020-12-27 Experiential marketing has become an indispensable tool for all types of businesses across multiple sectors. This book provides an all-encompassing practical and conceptual map of contemporary experiential case studies which together offer insights into this exciting approach to customer experience. Experiential Marketing incorporates 36 international case studies from 12 key sectors from technology, consumer goods, and B2B to luxury events and tourism sectors. With a selection of case studies from leading brands such as Coca-Cola, Nutella, Chanel, NASA, The New York Times, Pfizer, and Amtrak, the reader will learn and practice the experiential marketing tools and strategies through these examples. Expert testimonials, practical applied exercises, and the author's online videos provide both theoretical foundations and concrete application. This is a must-read for advanced undergraduate and postgraduate Marketing and Customer Experience students and an excellent teaching resource. It should also be of great use to practitioners, particularly those studying for professional qualifications who are interested in learning experiential marketing strategies and developing knowledge about the way big brands in different sectors are designing the customer experience online and offline. Online material includes lecture slides, a test bank of questions, an instructor's manual, and explanatory videos. Rodale's Runner's World, 1986
