marketing on Instagram fail to get the results they are looking for So What are the Main points and causes that most people overlook If you are selling any kind of merchandise Instagram should be part of your marketing strategy There are no two ways about it You are leaving a lot of money on the table if you skip Instagram Well here s the problem You don t have to follow the pattern most of your competitors go through You can succeed but you have to get your mind right Here s where my advice for you comes in You are going to understand Instagram marketing You will learn to identify the most common ways people slip up on Instagram You will understand what is influence marketing You can begin to understand that if you are going to be promoting on Instagram you re going to be engaged in a big deal You are going to learn exactly how to build up your own credibility within your niche To make it easy I ve put together a step by step guide that will show you exactly how it s done Instagram Marketing Mastery You will become a complete expert on this and you ll get everything you need inside to do the same Here s Just A Quick Preview Of What You ll Discover Inside Top 10 Reasons Why Marketers Fail on Instagram You Don t Have to Fail Find Your Competitors on Instagram and Reverse Engineer Them Curate Top Notch Content and Mix in Your Reverse Engineered Content Use Facebook s Ad Retargeting System to Pull Instagram Users Deeper Into Your Funnel Pay and Interact with Niche Specific Instagram Influencers Continuously Optimize All Parts of Your FunnelPlus a whole lot more This is the easiest way to actually turbocharge your results with Instagram [The Impact of Instagram Micro-Influencers on the Buying Decision of Generation Z towards Fitness Products](#) ,2022-11-15 Bachelor Thesis from the year 2020 in the subject Business economics Offline Marketing and Online Marketing grade 2 0 Reutlingen University ESB Business School language English abstract With fitness being a huge topic over the last couple of years many fitness brands started collaborating with fitness influencers on social media platforms Especially micro influencers on Instagram have gained attention in the previous years since they show high engagement rates and are perceived as credible sources of information Particularly for young consumers micro influencer marketing has turned out to be an effective and contemporary brand communication strategy The present bachelor thesis gives an overview of the effects of Instagram micro influencers on the buying decision Here the impact on Generation Z towards fitness products was examined with an extensive literature review and a quantitative study in the form of an online survey With the results of the study insights on the relationship between fitness related micro influencers and Generation Z s buying decision could be gained Although social media and fitness related micro influencers play an essential part in the worldwide growth of the fitness industry there is a dearth of research about their relationship with the buying decision of consumers Especially for product managers in the health and fitness industry it can be beneficial to understand these connections to better leverage influencer dynamics in their social media strategies Moreover there is a lack of studies focussing on the implications of these micro influencers on Generation Z specifically Generation Z consumers are the most digital and most reliant in terms of influencer recommendations As emerging adults in their developmental stage they can still be influenced in terms of their fitness habits

Therefore brands and businesses in the fitness sectors can profit from understanding their buying behavior which allows them to adapt their influencer marketing campaigns accordingly. Finally, it cannot be disregarded that fitness is an issue that people will always be concerned with since it strongly affects their well-being. Against this background, this study aims to approach the following research question: How do micro influencers on Instagram affect the purchasing decision of Generation Z towards fitness products?
