Don't Use Your Words! Jane Juffer, 2019-05-28 How children are taught to control their feelings and how they resist this emotional management through cultural production Today even young kids talk to each other across social media by referencing memes songs and movements constructing a common vernacular that resists parental educational and media imperatives to name their feelings and thus control their bodies Over the past two decades children's television programming has provided a therapeutic site for the processing of emotions such as anger but in doing so has enforced normative structures of feeling that Jane Juffer argues weaken the intensity and range of children's affective experiences *Don't Use Your Words* seeks to challenge those norms highlighting the ways that kids express their feelings through cultural productions including drawings fan art memes YouTube videos dance moves and conversations while gaming online Focusing on kids between ages five and nine *Don't Use Your Words* situates these productions in specific contexts including immigration policy referenced in drawings by Central American children just released from detention centers and electoral politics as contested in kids artwork expressing their anger at Trump's victory Taking issue with the mainstream tendency to speak on behalf of children Juffer argues that kids have the agency to answer for themselves what does it feel like to be a kid

Gaming and Gamers in Times of Pandemic Piotr Siuda, Jakub Majewski, Krzysztof

Chmielewski, 2024-01-11 This edited collection brings in multiple scholarly perspectives to examine the impact of the pandemic and resulting government policies especially lockdowns on one particular cultural sphere games. The COVID 19 pandemic has impacted virtually every aspect of our lives regardless of where we live. In the initial months many industry reports noted the unexpected positive impact on online digital game sales. Games were not just lockdown proof but boosted by lockdowns. Stay at home orders triggered a rush toward games as an alternative form of entertainment and the ubiquity of mobile phones allowed wider than ever participation. Gaming and Gamers in Times of Pandemic studies how the COVID 19 pandemic affected game players, game developers, game journalists, and game scholars alike in many other ways starting with the most direct illness and sometimes death. Some effects are temporary others are here to stay.
