Effective Remote Teams Carleton DiLeo, Jennifer Reyes, 2025-03-29 Remote development has drastically changed the way teams build software. The freedom to work from wherever and possibly whenever has increased flexibility but these benefits have not come without growing pains. The people managing this new type of team have worked tirelessly to adapt existing practices to this new unfamiliar environment. The good news is you don't have to go through it alone. Authors Carleton DiLeo and Jennifer Reyes draw from two decades of combined experience building and managing highly effective remote teams. You'll see how to set up, manage and maintain your team. These ideas have been tested, boiled down and refined over the years into an easy to understand series of steps. If you want to build a new remote team or transition from in person. Effective Remote Teams has you covered. Read on to start enjoying the benefits of remote development today. What You Will Learn: Build an ecosystem to promote collaboration and automation. Create an onboarding process to get new team members quickly integrated. Manage an ideal work week. Use the strike team method to structure your team. Make changes to your team and process without affecting velocity. Keep your team happy and productive long term. Who This Book is For: Managers, team leaders and startup founders.
