**Social TV** Cory Barker, 2022-06-27 Winner of the 2023 SCMS Media Industries Scholarly Interest Group Outstanding Book Award sponsored by the Center for Entertainment Media Industries On March 15 2011 Donald Trump changed television forever The Comedy Central Roast of Trump was the first major live broadcast to place a hashtag in the corner of the screen to encourage real time reactions on Twitter generating more than 25 000 tweets and making the broadcast the most watched Roast in Comedy Central history The *trumproast* initiative personified the media and tech industries utopian vision for a multi screen and communal live TV experience In *Social TV* Multi Screen Content and Ephemeral Culture author Cory Barker reveals how the US television industry promised but failed to deliver a social media revolution in the 2010s to combat the imminent threat of on demand streaming video Barker examines the rise and fall of Social TV across press coverage corporate documents and an array of digital ephemera He demonstrates that despite the talk of disruption the movement merely aimed to exploit social media to reinforce the value of live TV in the modern attention economy Case studies from broadcast networks to tech start ups uncover a persistent focus on community that aimed to monetize consumer behavior in a transitional industry period To trace these unfulfilled promises and flopped ideas Barker draws upon a unique mix of personal Social TV experiences and curated archives of material that were intentionally marginalized amid pivots to

the next big thing Yet in placing this now forgotten material in recent historical context Social TV shows how the era altered how the industry pursues audiences Multi screen campaigns have shifted away from a focus on live TV and toward all day content streams The legacy of Social TV then is the further embedding of media and promotional material onto every screen and into every moment of life

*Social Media and Political Communication* Jeremy Harris Lipschultz, 2022-07-14 This book offers a wide scale interdisciplinary analysis and guide to social media and political communication examining the political use of social media platforms such as Twitter Facebook Instagram and TikTok From disinformation to artificial intelligence Jeremy Lipschultz explores how social media tools are being deployed by good and bad political actors The use of fake news or disinformation is clearly contextualized for readers within a wider understanding of the historic uses of propaganda persuasion and political advertising Lipschultz also examines how social media is used by activists and social movements to increase civic engagement and amplify social issues The book surveys traditional media communication theories and methods exploring newsgatekeeping propaganda persuasion and personal influence and diffusion of new technologies and ideas teaching vital critical thinking methods for consuming engaging with and understanding political social media content from a media literacy perspective It also includes social network analyses which offer visual representations of social media crowds that influence social movements and political change Essential reading for students of Media and Cultural Studies Communication Journalism Political Science and Information Technology as well as anyone wishing to understand the current intersection of social media and politics

**Digital Technologies and the Evolving African Newsroom** Hayes Mabweazara, 2016-04-14 African newsrooms are experiencing the disruptive impact of new digital technologies on the way they generate and disseminate news Indeed newsrooms are being forced to adapt in various ways and there are clear dimensions of localized creativity and adaptations by journalists to the digital revolution In the same way the influences of digitization Internet and social media are changing the informational needs of readers including how they engage with news These developments nonetheless remain on the margins of mainstream journalism research very few researchers have sought to qualitatively capture the implications of developments in digital technologies on the routine practices of African journalists especially in their natural habitat the newsroom In this light this edited volume interrogates the changing ecology of newsmaking in Africa in the context of rapid technological changes in newsrooms as well as in the wider social context of news production It brings together six contributions drawn from five countries Egypt Mozambique South Africa Nigeria and Zimbabwe to explore practices challenges and professional normative dilemmas emerging with the adoption and appropriation of new technologies While the studies point to dimensions of localised new technology appropriations as defined by the complex socio political structures in which African journalists operate they are not rigidly confined to Africa They are expressly in dialogue with theoretical observations largely emerging from Western scholarship In this sense the book goes beyond simply mainstreaming African perspectives it engages directly with dominant theoretical observations and

offers a point of departure for developing what could loosely be branded as an African digital journalism epistemology This book was originally published as a special issue of Digital Journalism *Dusty diamonds cut and polished, a tale* Robert Michael Ballantyne, 1884 How to Find a Job on LinkedIn, Facebook, Twitter and Google+ 2/E Brad Schepp, Debra Schepp, 2012-05-03 Explains how to search for employment using social networking sites including Facebook LinkedIn and Google **Battle for the Bird** Kurt Wagner, 2024-03-21 On October 28th hours after completing a 44 billion takeover of Twitter Elon Musk Tweeted to his millions of followers The bird is freed Musk's takeover of Twitter was one of the most audacious and remarkable deals in tech history The Battle for Twitter takes readers back to the very beginning and how we reached this point It looks at the origins of the platform the vision of its co founder Jack Dorsey and how it became a battleground for ideas controversies and viral moments that shaped the world we live in today With meticulous research and unprecedented access author Kurt Wagner paints a vivid portrait of power struggles bitter rivalries and ground breaking decisions that have shaped the evolution of Twitter From Musk's audacious tweets to Dorsey's enigmatic persona The Battle for Twitter uncovers the depths of their involvement revealing the forces that have propelled them to the forefront of global attention In this gripping corporate saga delve into the minds of these visionary figures as they engage in a high stakes battle for dominance reshaping the very fabric of social media Computerworld, 2009 **The Normal Course in Reading** Emma J.
