Winning Scholarships for College, Fourth Edition

Marianne Ragins, 2013-11-19 An updated and revised edition of this comprehensive guide to finding and winning scholarships for your education. Marianne Ragins, the publisher of The Scholarship Workshop and winner of more than 400 000 in scholarship money, presents the fully revised and updated Winning Scholarships for College Fourth Edition. Containing the most up to date scholarship grant resources, this classic guide will show you the path to scholarship success. This is one of the most comprehensive books on winning scholarships on the market, revealing where and how to search for funds and containing step by step instructions for the application process. The fourth edition has information on hundreds of academic scholarships from the most well known resources to smaller, more localized funds. Guides readers through the use of the Internet and social media in their scholarship search and gives detailed suggestions for essays with examples from the author's own highly successful scholarship search. With special chapters focusing on helping middle class scholarship seekers, home schooled students, those without an A average and even students as young as age six, this guide is a must have tool for students bound for university. Whether you're in high school, enrolled in or going back to college, studying abroad or pursuing a postgraduate degree, this book is an invaluable resource for helping you to avoid leaning too heavily on student loans and effectively finance the education you want.
