**Catalytic Thinking** Pete Steer, 2010-01-19 Bravo Pete on a remarkable effort to pen a path of enlightenment to those who seek to advance creativity for self, teams and tribes. Your book is a symphony of data points and rather than being disjointed, it actually seems to mirror the very nature of the zigzag connect the dot process inherent with the idea generation stage of creativity. You once asked me if the idea generation stage isn't the hardest part for most people. If the answer is yes, then your Catalytic Thinking methodology is exactly that timely solution the world needs now one that is simple, elegant, effective, fun and within the reach of everyone. To all prospective readers I say Yippee to Pete and people like him who make the going easier for the rest of us. Chuck Scott, Founder of Avanti Group Inc writer, photographer, websmith and business innovation expert. With a little work on organization this book will hold the reader's attention and make them enjoy the idea generation process you introduce to them. At its best this book could greatly improve the lives of its readers. An anonymous editor at Litopia Publishing a London based company. These comments were from an assessment of a very early version of my manuscript. I loved this positive encouragement as it was interspersed in a very candid and constructive critique. I hope you feel I did the little work needed to make this book its very best.
