themselves often with scant or no support of the meme Through their meme mangling adversarial NGOs and activists can impose undeserved damage on corporate reputations costing market share revenue and jobs maybe one of them yours These organizations are truly competitors not only to the individual corporations that they target but also to the economic system in general Living on a Meme is compiled from a selection of articles published on Richard s Web site Telofski com between August 1 2009 through August 3 2010 But many of these writings are more essay than article Within the essays in this book you ll find insights theories as well as specific facts and analysis on how certain NGOs and activist groups operate online and offline to sap companies of their vital reputation By reading this book you ll discover how these irregular competitors make use of existing cultural memes true or not and how they contribute to those memes strengthening them and contributing to the degradation of a company s image Don t worry This book isn t just a repackaging of blog postings You re going to get more than that At the end of each chapter you will find bonus Take Aways Those Take Aways are critical analyses of the essays in the chapter pointing out for you how what was just discussed relates to an NGO s or activist s reliance of living on a meme or their hope that YOU are living on THEIR meme for them You ll also find in this book 23 exclusive essays that appear only in this book So start your journey now into the understanding of how anti corporate NGOs and activists bend the truth and the beliefs of people to get what they want *Field and Stream* ,2001 **The Big Karma Law Firm** Bob
