## **Morning Routine Ideas Setup:**

Social Justice and Culturally-Affirming Education in K-12 Settings Chitiyo, Jonathan, Pietrantonio, Zachary, 2023-01-27

Social justice is a philosophy that has gathered momentum over the past few years to bring to light the inequities that exist within our society. In the field of education, social justice illuminates the challenges that marginalized students and minority students face compared to other students. Social Justice and Culturally Affirming Education in K-12 Settings seeks to bring together social scientists, researchers, and other practitioners to delve into social justice issues in K-12 settings and considers the various challenges and future directions that are associated with this field. Covering key topics such as inclusive education, educational reform, and school policies, this reference work is ideal for administrators, policymakers, researchers, academicians, practitioners, scholars, instructors, and students.

**Lippincott's Textbook for Nursing Assistants** Pamela J. Carter, 2007-06-01. Now in its Second Edition, this textbook prepares students to work as nursing assistants in long-term care, acute care, and home health care settings and provides a firm foundation for advancement to an LPN and ultimately an RN role. The book is written in a direct conversational writing style with an emphasis on professionalism and humanism. This edition is significantly updated and has new photographs and illustrations. A front-of-book CD-ROM includes an audio glossary. An audiobook version of the entire text in MP3 format is available as a separate purchase. A student edition DVD containing selected procedures from Lippincott's Video Series for Nursing Assistants is also available as a separate purchase.

**Essentials of Gerontological Nursing** Meredith Wallace Kazer, 2007-10-22. Essentials of Gerontological Nursing presents the best practices needed to care for older adults. Its brief yet comprehensive grasp of issues in elder care is a refreshing addition to the current literature, which is more commonly focused on theory than on clinical practice. Designed primarily for students in gerontological nursing courses in BSN and graduate programs, the book provides essential clinical information and best practices needed to care for older adults. Current research and new patient approaches in gerontological nursing. Overviews of rarely discussed issues such as elder abuse, cultural considerations, and restraint alternatives. Clinical specifications and practical applications. Content designed to fit into a one-semester course. Essentials of Gerontological Nursing is everything the nursing student needs to know when caring for older adults.
