**NOOK Tablet: The Missing Manual** Preston Gralla, 2012-03-29 A guide to using the NOOK Tablet covering getting to know your NOOK Tablet setting up reading books newspapers and magazines and other topics **Link Mining: Models, Algorithms, and Applications** Philip S. Yu, Jiawei Han, Christos Faloutsos, 2010-09-16 This book offers detailed surveys and systematic discussion of models algorithms and applications for link mining focusing on theory and technique and related applications text mining social network analysis collaborative filtering and bioinformatics **Humanocracy, Updated and Expanded** Gary Hamel, Michele Zanini, 2025-08-26 A powerful new edition of the Wall Street Journal bestseller that helps leaders build radically more human and capable organizations Now more than ever we need organizations that are daring resilient and creative Unfortunately when confronted by unprecedented challenges most companies and institutions prove to be timid plodding and orthodox The culprit is bureaucracy With its top down power structures and rule choked systems bureaucracy hobbles ingenuity and innovation In a time of upheaval these long tolerated impediments are fast becoming competitively and economically untenable Humanity needs and deserves something better In Humanocracy Gary Hamel and Michele Zanini make a passionate data driven argument for uninstalling bureaucracy and reinventing management as we know it In this extensively updated and expanded edition readers will find new and compelling case studies the latest research findings and a wealth of fresh and provocative insights Humanocracy is both a manifesto for institutional renewal and a blueprint for building organizations that are as courageous energetic and ingenious as the people inside them Essential building blocks include Motivation Rallying colleagues to the challenge of reimagining management as usual Models Leveraging the experience of vanguard organizations that have successfully disrupted the bureaucratic status quo Mindsets Escaping the industrial age thinking that undermines the quest to build radically more capable organizations Mobilization Activating a pro change coalition to hack outmoded management systems and processes Migration Embedding the principles of humanocracy ownership markets meritocracy community openness experimentation and paradox in your organization s DNA If you ve finally run out of patience with bureaucratic bullshit if you re eager to build an organization that can outrun change and outperform expectations if you believe every team member deserves the chance to do something extraordinary then this book s for you **Gold Bubble** Yoni Jacobs, 2012-04-24 How do TV shows vending machines Chinese taxi companies and a former UK prime minister point to a gold bubble that is about to burst Many investors consider gold a safe haven that will shelter them from recessions falling markets and the depreciating value of currency Many fail to realize however that investing in gold at these levels is extremely risky We Buy Gold stores line busy streets gold miners are no longer protecting themselves from a potential drop in prices and gold is even being sold in vending machines All this points to one thing a gold bubble has formed and will collapse very soon hurting investors funds and banks In Gold Bubble Profiting From Gold s Impending Collapse Yoni Jacobs looks at how you can protect yourself Presenting an in depth analysis of gold

dating back over a hundred years the book explores the structural factors that have allowed gold to form a bubble why an investor psychology of fear and greed is leading to extremely speculative behavior why gold will fall during an upcoming recession what effect the dollar and the stock market will have on the future of gold prices and how to profit from a gold collapse while the majority of investors lose out There are plenty of warning signs that gold is about to decline and this book will help you to get ready Gold Bubble is the only book to argue that a gold bust is coming going head to head with the herd mentality Filled with practical advice on how to protect yourself and even profit from gold's collapse by being prepared for what's ahead With gold prices up over 2 500 percent since 1970 and more than 600 percent since 1999 a bubble has formed and is on the verge of bursting But until now no one has been willing to publicly bet against the universal currency With Gold Bubble you are ready to meet this challenge head on and take advantage of what other investors won't even acknowledge
