Home Again, Home Again, Jiggity, Jig Susie Stone, 2017-03-15 I was the child who stood quietly in corners and listened. I observed, I watched people and remembered the events, what was said, what I saw. As I grew up, I remembered those incidents, happenings and stories and I loved to share them with friends and students. Over the years, when people heard my stories, they always wanted to hear more and often told me I should write a book with my stories. After many years of listening to people tell me to write, I wrote this book about the start of my life in a little town in Monett, Missouri. I have written about my parents, my hometown, people I knew and incidents I observed. The book is filled with my love for this little town and all the people I knew. I am happy to now share those stories with each of my readers. **The Fireside Dickens** Charles Dickens, 1883 **Musical Courier**, 1891 Vols for 1957-61 include an additional mid-January no. called Directory issue. 1st 5th ed.
