America, the Owner's Manual

Bob Graham, Chris Hand, 2016-07-15 In 2016 Americans fed up with the political process vented that frustration with their votes Republicans nominated for president a wealthy businessman and former reality show host best known on the campaign trail for his sharp rhetoric against immigration and foreign trade Democrats nearly selected a self-described socialist who ran on a populist platform against the influence of big money in politics While it is not surprising that Americans would channel their frustrations into votes for contenders who pledge to end business as usual the truth is that we don't have to pin our hopes for greater participation on any one candidate All of us have a say if we learn, master, and practice the skills of effective citizenship One of the biggest roadblocks to participation in democracy is the perception that privileged citizens and special interests command the levers of power and that everyday Americans can't fight City Hall That perception is undoubtedly why a 2015 Pew Charitable Trusts survey found that 74 percent of those Americans surveyed believed that most elected officials didn't care what people like them thought Graham and Hand intend to change that conventional wisdom by showing citizens how to flex their citizenship muscles They describe effective citizenship skills and provide tips from civic experts Even more importantly they offer numerous examples of everyday Americans who have used their skills to make democracy respond The reader will see themselves in these examples of citizens who chose to be victorious participants rather than tranquil spectators in the arena of democracy By the end of the book you will have new confidence that citizen participation is the

lifeblood of America and will be ready to make governments work for you not the other way around **Think on Your Feet: Tips and Tricks to Improve Your Impromptu Communication Skills on the Job** Jen Oleniczak Brown,2019-11-08 Think on Your Feet is a helpful maven s guide ideal for anyone who views a podium with fear and trembling Publishers Weekly Get out of your own way Our professional lives are full of situations outside of our control A job interviewer asks a question out of left field A coworker puts you on the spot in front of the boss Your PowerPoint presentation crashes at a critical moment Most people react to the unexpected with anxiety and unease We get rattled stumble over our words and overthink the situation Others though handle it with self assurance and aplomb They gain a sense of empowerment and energy when the pressure is on Like great improv actors they re able to think on their feet The great thing is improv isn t about winging it or flying by the seat of your pants improv at its core is about listening and responding It s based on rules and techniques and it taps directly into your soft communication skills By incorporating it into your prep work for professional situations you ll learn how to retrain your brain for the unexpected and get out of your own way in those unexpected and expected professional situations Practicing improv isn t about being funny Instead it s about developing the mental agility to spin any surprise in your favor and to communicate with confidence Filled with engaging improv activities this interactive guide will ensure you never come away from a tough moment pondering the woulda coulda shoulda again You ll learn how to nurture your personal style for communicating in every professional situation From effective listening in the office giving presentations and leading meetings to negotiating a raise acing an interview and more you ll start communicating with confidence and stop letting the unexpected hold you back Take your workplace communication and your career to the next level by mastering the art of

Pitching and Closing: Everything You Need to Know About Business Development, Partnerships, and Making Deals that Matter

Alexander Taub, Ellen DaSilva, 2014-08-29. **EVERYTHING YOU NEED TO BUILD REVENUE GENERATING PARTNERSHIPS** Corporations have profited from strong business development strategies for years. So it's no surprise that of the half million new businesses created each year, the most successful ones are driven by business development. Now, savvy professionals on the business side of a startup have a reliable guide to perfecting the partnership strategies that will quickly add value to any company. **Pitching Closing** gives you concrete action steps for mastering the specific skill set today's business development professionals need to define their roles and meet revenue expectations. Written in practical terms by playmakers at Twitter and SocialRank, this A to Z guide walks you through forging relationships, pitching a company's product, building a network, sourcing deals, making rejection positive, and staying cool while closing large deals. Firsthand accounts from business development executives across many industries, from tech to television to finance, bring to life such topics as: How to consistently identify and land the best strategic alliances for your business; Why people say yes and why they say no; Etiquette for making introductions and reaching out to people in ways that elicit responses; Monitoring core metrics to know where to invest your time. In addition to implementable advice and techniques from the top minds in the industry, this complete resource features an entire section of best practices for every step of the partnering process. Make your moves with the confidence of having a team of experts at your back. The road from startup to IPO starts with **Pitching Closing: PRAISE FOR PITCHING CLOSING**. This book is a must-read for anyone in the business of transforming professional relationships into powerful strategic partnerships. Adam Bain, President of Global Revenue at Twitter, **Pitching Closing** does a phenomenal job of giving you a seat in the room during some of the biggest business development deals of late. Anyone who reads this book will come away with a deep understanding of business development in the world of startups. Davidson,2019-01-21 Knowing exactly where you fit when you are in the ride sharing industry can be a bit tricky Are you an employee Or are you self employed This is important to understand because it completely changes how you look at taxes When you are an employee your tax deductions are taken

care of by your employer and certain taxes are shared in equal parts between the employee and the employer. However when you are self employed you are completely and solely responsible for paying 100% of your taxes out of your paycheck. There are a few forms that you will have to get familiar with in order to successfully do your filing as a self employed person. Let us discuss some measures to ensure that you get your taxes right. [The Poetry of Strangers](#) Brian Sonia-Wallace, 2020-06-30

It might surprise you who s a fan of poetry when it meets them where they are. Before he became an award winning writer and poet Brian Sonia Wallace set up a typewriter on the street with a sign that said Poetry Store and discovered something surprising all over America people want poems. An amateur busker at first Brian asked countless strangers What do you need a poem about? To his surprise passersby opened up to share their deepest yearnings loves and heartbreaks. Hundreds of them. Then thousands. Around the nation Brian s poetry crusade drew countless converts from all walks of life. In [The Poetry of Strangers](#) Brian tells the story of his cross country journey in a series of heartfelt and insightful essays. From Minnesota to Tennessee California to North Dakota Brian discovered that people aren t so afraid of poetry when it s telling their stories. In dying towns flourish vibrant artistic spirits and fascinating American characters who often pass under the radar from the Mall of America s mall walkers to retirees on Amtrak to self proclaimed witches in Salem. In a time of unprecedented loneliness and isolation Brian s journey shows how art can be a vital bridge to community in surprising places. Conventional wisdom says Americans don t want to talk to each other but according to this poet for hire everyone is just dying to be heard. Thought provoking moving and eye opening [The Poetry of Strangers](#) is an unforgettable portrait of America told through the hidden longings of one person at a time by one of our most important voices today. The fault lines and conflicts which divide us fall away when we remember to look in every stranger for poetry. [Customer Service Tips for ExUBERant Drivers](#) Thelma Lewis, 2015-12-23
