**The Rock, Pop, and Country Gospel** Jeff Fehn, 2026-01-11 Songwriter Harlan Howard famously said Country music is three chords and the truth But truth and specifically biblical truth exists in many other music genres too This book explores the spiritual heart of popular music through an eclectic collection of fifty songs some of which you know by heart and a few you probably don't Delve into the fascinating stories about how each song in this multi genre collection came to be written and see how God and His message of love hope and encouragement can be found within their lyrics This book will resonate with both new and mature Christian believers but will also be interesting to those who just enjoy music or those beginning to search for truth The messages are written to be both encouraging and challenging and its short chapters make the book suitable for one a day devotional reading Each chapter includes the song and its writer's performer's a QR code link to the song on Spotify several lines of the song's lyrics the song's backstory in the words of its writers when possible a scripture verse corresponding to the lyric and an exploration of the verse's themes and the real life application of its wisdom Let this book open your eyes and ears to the reality that God can be found on your favorite rock pop or country radio station and not just in a church hymnal
