**The Complete Sneaker Reseller Guide Volume 2** Sole Masterson, 2018-07-25 The sneaker culture is ravenous. Certain shoes that retail for 120 to 250 move steadily in the aftermarket on sites like Stock X, eBay and Goat for 2-3 times retail sometimes more. In fact, Stock X now does millions of dollars per month in sneaker trading alone. Everywhere you go these days you see sneakerheads rocking the latest heat. Trading sneakers in the secondary market is fast becoming a legitimate installation in our culture and a pretty damn cool one at that. In this much anticipated follow-up to his bestselling sneaker reseller guide, the Sole Master guides aspiring sneaker chefs to next-level success. One only needs to be armed with the tactics taught in the first volume and have a little experience under their belt to be ready to step up to becoming a serious operator. Do you want to know exactly how the top sneaker resellers cop 25 pairs of the hottest releases? Would you like to pick the Sole Master's brain and benefit from his experience running what is now one of the largest sneaker cook groups on Twitter? Find yourself a quiet spot, open this new 24,000-word training manual and be prepared to take notes. Nothing is held back. You'll come away from this text knowing everything the master chefs know. So let's get started.

[Installed Base Selling to Maximize Revenue](#) Remi Gicquel, Paul-André Lambert, 2019-08-30 There is no such thing as an easy sale. However, selling to an existing customer whether by refreshing an old product or introducing a new and different product is often easier, faster and returns higher margins. Centering your organization's sales strategy on your installed base is a smart and proven way to achieve long-lasting, profitable growth. Using Installed Base Selling to Maximize Revenue reveals a step-by-step, integrated approach you can begin using today. Authors Remi Gicquel and Paul André Lambert show how you can apply this robust and reliable end-to-end solution by illustrating concepts through real-world case studies from Spotify, Hewlett-Packard, Enterprise, Nestlé and more. Full of wisdom fit for the digital era, this book presents the results of the authors' experience and research into current installed base selling processes, identifying from an objective point of view what works and what does not. This book explains fundamental concepts such as the profitable growth paradox, the installed base profit wedge, operational methodologies for managing your installed base selling transformation and much more. Innovative companies protect and nurture their most valuable asset: their customers and the data that defines them. They put installed base selling at the heart of their sales strategy. Now it's your turn. What You Will Learn: How to maximize the return from

installed base customers Fundamental concepts such as the profitable growth paradox the installed base profit wedge and turnkey operational sales methodologies to best maneuver your sales teams Keys to changing patterns to become a company that can enjoy higher profitable revenues for years Who This Book Is For General Managers Sales and Marketing Leaders who are eager to transform their business to secure long lasting profits and for leaders looking for a pragmatic approach to transform their sales force to harvest the potential of their existing customers     *Department of Defense Appropriations for ...
