Viral Challenge Spotify This Month:

TikTok D. Bondy Valdovinos Kaye, Jing Zeng, Patrik Wikstrom, 2022-06-16 Since its acquisition and rebranding in 2018 TikTok has become one of the fastest growing platforms in the world Moreover it s the first Chinese developed platform to find mainstream international success carving its own niche in the global short video industry In the first comprehensive exploration of TikTok Kaye Zeng and Wikstr m provide a history of the emergent genre of short video and situate the platform within the cultures and controversies that have accompanied its dramatic growth They provide an extensive overview of TikTok s functions and uses the diverse markets in which the platform operates and the issues of governance that have impacted its expansion Once thought to be just for kids the authors illustrate how TikTok is further transforming platform cultures and the dynamics of broader creative industries TikTok the authors argue represents an evolutionary step in the way culture is produced and consumed on digital platforms This timely book is essential reading for students and scholars in media and communication studies and for anyone who has been captivated by the global growth of TikTok and short video

Music and Democracy Marko Kölbl, Fritz Trümpi, 2021-11-05 Music and Democracy explores music as a resource for societal transformation processes This book provides recent insights into how individuals and groups used and still use music to achieve social cultural and political participation and bring about social change The contributors present outstanding perspectives on the topic From the promise and myth of democratization through music technology to the use of music in imposing authoritarian neoliberal or even fascist political ideas in the past and present up to music s impact on political systems governmental representation and socio political realities The volume further features approaches in the fields of gender migration disability and digitalization
