## Apple Watch Today:

**Beginning CareKit Development** Christopher Baxter, 2016-11-21 This book offers readers a fantastic introduction into creating CareKit based applications using the Swift language. It starts with the basics and provides a step by step guide to learning all aspects of creating a CareKit iOS application that could serve as the basis for a patient care plan. Beginning Carekit Development introduces the key modules and concepts of CareKit starting off by installing and building the open source framework. Developers will then dive deeper learning how to implement their own care plan by example. The book will present an illness and complete care plan utilizing all the key modules. Readers will then be able to fully use CareKit to develop health care plans. This is the future of patient care and health tracking apps that put patients in control of their day to day care. Throughout the book app developers, hardware manufacturers and health care professionals will get tips and suggestions that show howto use and talk about this exciting new technology. The CareKit framework has the simple interface and the secure functionality that will change existing markets. Beginning Carekit Development is the guide to the new world of CareKit. What you ll learn: The basics of CareKit development from creating a simple Hello World app up to full fledged care plan application. How to integrate CareKit with HealthKit, ResearchKit and other Apple devices to create an ecosystem of connected health care devices. How to assess and share treatment insights with caregivers and key contacts through CareKit with access to key health information. Who this book is for: Developers working in healthcare and medical device fields will use this book to develop medical apps meant to integrate directly with the ubiquitous Apple devices everyone has.

Managing Today's News Media Samir Husni, Debora Halpern, Wenger, Hank Price, 2015-07-29 The business of journalism is in the midst of massive change. Managing Today's News Media Audience First offers practical solutions on how to cope with and adapt to the evolving media landscape. News media experts Samir Husni, Debora Halpern, Wenger, and Hank Price introduce a forward-looking framework for understanding why change is occurring and what it means to the business of journalism. Central to this new paradigm is a focus on the audience. The authors introduce The 4Cs Strategy to describe how customers, control, choice, and change are all part of a strategy for successful media organizations. Real-world case studies, important theoretical grounding, and a focus on understanding rather than resisting the customer's desire for choice and control make this an unbeatable resource for students and managers alike who want to succeed in this changed media business landscape.
