*Vampires of Nirvana* Ranay James, 2015-10-15 Kari Ransom's career as a journalist is on a stellar trajectory. She's making a name for herself by exposing some heavy hitters in the political arena for serious crimes and shady dealings. But that rise to the top is cut short when she's gruesomely murdered by a professional killer who leaves very few clues behind for the authorities to follow. Her sister Kristen knows there is something more going on under the surface and to find the culprits she enlists the help of homicide detective Slade Jericho. Kristen senses there is more to Slade than he is letting on. Slade has seen his share of murders in his years on the Phoenix police force. And his gut tells him that Kristen is in serious danger from the same heartless killers who executed Kari. He calls in the best to help him keep Kristen alive and when Chase McKinnon from the extraordinary McKinnon clan steps in to lead the security detail things start to get really dicey. Will Chase's past work for or against them as that past leads them straight into the vampire collective? Will Slade and Kristen find the killers before they are both murdered for the information now in her possession? If they can unravel this twisted web of lies, love and deception they will be free to give in to fate and see how perfect they are for each other even against the odds. This paranormal romance will keep you on the edge of your seat rooting for the good guys and wondering what's going to happen next.
