Now in a newly designed 20th anniversary edition with a new afterword by Pema, it makes for a perfect gift and addition to one's spiritual library. How can we live our lives when everything seems to fall apart when we are continually overcome by fear, anxiety and pain? The answer Pema Chodron suggests might be just the opposite of what you expect. Here in her most beloved and acclaimed work, Pema shows that moving toward painful situations and becoming intimate with them can open up our hearts in ways we never before imagined. Drawing from traditional Buddhist wisdom, she offers life changing tools for transforming suffering and negative patterns into habitual ease and boundless joy. **Awakening Loving-Kindness** Pema Chodron, 2017-09-05 Inspiration and encouragement for cultivating kindness by embracing the joy, suffering, confusion and brilliance of our everyday lives from the author of *When Things Fall Apart*. Do you want to be a more compassionate person, confident and unafraid to love yourself and the world around you unconditionally but aren't sure how? We often look far and wide for guidance to become better people as though the answers were somewhere out there. But Pema Chodron suggests that the best and most direct teacher for awakening loving kindness is in fact your very own life. Based on talks given during a one month meditation retreat at Gampo Abbey where Pema lives and teaches her teachings, here focus on learning how to see the events of our lives as the perfect material for learning to love ourselves and our world playfully and wholeheartedly and to live in our skin fearlessly without aggression, harshness or shame. This is instruction for embarking on the greatest adventure of all to come alive to your inherent human kindness. Perhaps what makes Pema's message resonate so strongly with people no matter what their religion or spiritual path is its universality. **Living Beautifully** Pema Chodron, 2019-05-21 Instant bestseller Buddhist teacher Pema Chodron shares life changing practices for living with wisdom, confidence and integrity amidst confusing situations and uncertain times. We live in difficult times. Life so often seems like a turbulent river threatening to drown us and destroy our world. Why then shouldn't we cling to the certainty of the comfortable, to our deep seated habits and familiar ways? Because Pema Chodron teaches that kind of fear based clinging keeps us from the infinitely more powerful experience of being fully alive. The Buddhist teachings she presents here, known as the Three Commitments, provide a treasure trove of wisdom for learning to step right into the unknown to completely and fearlessly embrace the groundlessness of being human for people of all faiths. When we do, we begin to see not only how much better it feels to live an openhearted life but we find that we begin to naturally and more effectively reach out to help and heal all those around us.

Living Beautifully Pema Chodron, 2019 Is it possible to live well when the very ground we stand on is shaky? Yes says

everyone's favorite Buddhist nun it's even possible to live beautifully compassionately and happily on shaky ground and the secret is the ground is always shaky Pema shows how using a traditional Buddhist practice called the Three Vows or Three Commitments offering us a way to relax into profound sanity in the midst of whatever non sanity is happening around us Just making these simple aspirations can change the way we look at the world and can provide us with a lifetime of material for spiritual practice The Three Commitments are three methods for embracing the chaotic uncertain dynamic challenging nature of our situation as a path to awakening The first of the commitments traditionally called the Pratimoksha Vow is the foundation for personal liberation This is a commitment to doing our best to not cause harm with our actions or words or thoughts a commitment to being good to each other It provides a structure within which we learn to work with our thoughts and emotions and to refrain from speaking or acting out of confusion The next step toward being comfortable with groundlessness is a commitment to helping others traditionally called the Bodhisattva Vow It is a commitment to dedicate our lives to keeping our hearts and minds open and nurturing our compassion with the longing to ease the suffering of the world The last of the three commitments traditionally known as the Samaya Vow is a resolve to embrace the world just as it is without bias a resolve to see everything we encounter good and bad pleasant and painful as a manifestation of awakened energy It is a commitment to see everything and anything as a means by which we can awaken further

Vivir bellamente

(Living Beautifully) Pema Chodron, 2015-07-07 Vivimos en pocas difíciles En ocasiones la vida parece un río turbulento que amenaza con ahogarnos y destruir al mundo Por qué entonces no deberíamos aferrarnos a la certidumbre de la orilla a nuestros patrones y hábitos familiares Porque seguramente nos enseña Pema Chodron ese tipo de anclaje basado en el temor nos priva de la experiencia infinitamente más satisfactoria de estar plenamente vivos Las enseñanzas que la autora nos presenta aquí conocidas como los Tres Compromisos brindan una riqueza de conocimientos para aprender a adentrarse directamente en el río a acoger plenamente y sin temores el carácter insondable del ser humano Cuando lo hacemos empezamos a ver no solamente cuánto mejor se siente vivir de esa manera sino que descubrimos que de manera natural y efectiva empezamos a buscar el cuidado y apoyo de otras personas We live in difficult times Life sometimes seems like a turbulent river threatening to drown us and destroy the world Why then shouldn't we cling to the certainty of the shore to our familiar patterns and habits Because Pema Chodron teaches that kind of fear based clinging keeps us from the infinitely more satisfying experience of being fully alive The teachings she presents here known as the Three Commitments provide a wealth of wisdom for learning to step right into the river to completely and fearlessly embrace the groundlessness of being human When we do we begin to see not only how much better it feels to live that way but we find that we begin to naturally and effectively reach out to others in care and support
