*Medieval Europe* Charles Warren Hollister, 1982-01-01      Medieval Europe C. Warren Hollister, 1992      *Medieval Europe* Warren Hollister, Joe W. Leedom, Marc A. Meyer, 1982-01-01      **Later Medieval Europe** Daniel Waley, Peter Denley, 2013-11-26 From the divine right of kings to the political philosophies of writers such as Machiavelli the medieval city states to the unification of Spain Daniel Waley and Peter Denley focus on the growing power of the state to illuminate changing political ideas in Europe between the thirteenth and sixteenth centuries Spanning the entire continent and beyond and using contemporary voices wherever possible the authors include substantial sections on economics religion and art and how developments in these areas fed into and were influenced by the transformation of political thinking The new edition takes the narrative beyond the confines of western Europe with chapters on East Central Europe and the teutonic knights and the Portuguese expansion across the Atlantic The third edition of this classic introduction to the period includes even greater use of contemporary voices full reading lists and new chapters on East Central Europe and Portuguese exploration Suitable as an introductory text for undergraduate courses in Medieval Studies and Medieval European History      Medieval Europe Charles Warren Hollister, Judith M. Bennett, 2002 For more than three decades C Warren Hollister nurtured this classic text of Medieval European History which was profoundly marked by his clear historical vision and engaging teaching style The ninth edition seeks to introduce today's students to the medieval roots of our own society Judith Bennett has updated this classic book while striving to lose neither the vision nor the style of the original She brings to this revision expanded coverage of women's history social and cultural history the role of the common man and woman of the Middle Ages and the history of the Late Middle Ages      *The European World, 400-1450* Barbara A. Hanawalt, 2005-05-26 The history of the Middle Ages is one of believers and barbarians popes and peasants It is the story of competing empires and unforgettable leaders The Middle Ages laid the groundwork for the growth of early modern Europe From its bustling cities distinguished universities soaring cathedrals and trade routes Europe began to reach out to the rest of the world      **Term Paper Resource Guide to Medieval History** Jean Shepherd Hamm, 2009-11-25 Help students get the most out of studying medieval history with this comprehensive and practical research guide to topics and resources Term Paper Resource Guide to Medieval History brings key historic events and individuals alive to enrich and stimulate students in challenging and enjoyable ways Students from high school to college will be able to get a jump start on assignments with the hundreds of term paper projects and research information offered here The book transforms and elevates the research experience and will prove an invaluable resource for motivating and educating students Each event entry begins with a brief summary to pique interest and then offers original and thought provoking term paper ideas in both standard and alternative formats that often incorporate the latest in electronic media such as the iPod and iMovie The best primary and secondary sources for further research are annotated followed by vetted stable website suggestions and multimedia resources usually films for
