A Sexy Historical Romance ____ **Praise for *Valor of Love***

I have to admit crying like a baby through some passages of the book; they are so well written that you can feel the character's emotions. I won't ruin the story, but even if you feel historical romances aren't your thing, trust me, this will change your mind. I'm glad I took the chance and read it. Wow, I was so moved by their story that I cried happy tears. I'm so totally in love with these characters. The characters stepped out of the book's fictional realm into my life from the very first page and they stayed with me as I had to go about my daily commitments. I know I'll be thinking of them long after the last page has been read. This wonderful suspenseful and romantic tale will make you believe that anything is possible. The family rallies around and helps put things right for them both. This is a must-read if you like historical romance with some wonderful heat. At long last, we hear the individual stories behind Lady Lilly and Thompsett Lord Marblethorpe's butler, Cooper Posey. He has dropped little hints that both hid behind a painful and mysterious past, but for her to give the reader BOTH stories in the same book was just wonderful.
