

GENERAL

Introduction

The present CLAAS REPAIR MANUAL is intended to assist in preserving the permanent operational readiness and therefore the high value of your CLAAS combine harvester by thorough maintenance and service supervision.

Experience gathered by both our service engineers and factory staff has been compiled in this REPAIR MANUAL.

The sequences of pictures illustrate the course of a repair process while the text provides the necessary information on adjustments, application of CLAAS special tools and the like.

The illustrations included in support to the explanations show the sequence of major repairs so that minor repairs can easily be followed.

The CLAAS REPAIR MANUAL is fitted in a folder which allows to insert supplementary pages as issued following technical developments and to always have an updated manual at hand for reference.

To be sure, always compare settings and filling capacities with specifications stated in the current Operator's Manual of the combine-harvester.
