*Methodical Bible Study* Robert A. Traina,2002 This inductive study in a simple practical textbook in hermeneutics compares related Bible texts in order to let the Bible interpret itself     *Methodical Bible Study* Robert Angelo Traina,1970

*Inductive Bible Study* David R. Bauer,Robert A. Traina,2011-04-01 Following up Robert Traina's classic Methodical Bible Study this book introduces the practice of inductive Bible study to a new generation of students, pastors, and church leaders. The authors, two seasoned educators with over sixty combined years of experience in the classroom, offer guidance on adopting an inductive posture and provide step by step instructions on how to do inductive Bible study. They engage in conversation with current hermeneutical issues, setting forth well grounded principles and processes for biblical interpretation and appropriation. The process they present incorporates various methods of biblical study to help readers hear the message of the Bible on its own terms.     **A Pentecostal Hermeneutic for the Twenty First Century** Kenneth Archer,2004-12-30 The purpose of this book is to present a critically informed contemporary Pentecostal hermeneutic rooted in Pentecostal identity in its stories, beliefs, and practices. As Pentecostals began entering academic communities of higher learning, their interpretive methods became both mainstream and modernistic as they adapted the historical critical methods or the so called scientific hermeneutic. The proposed hermeneutic contained in this book desires to move beyond the impasse created by Modernity instead pushing Pentecostals into the contemporary context by critically re appropriating early Pentecostal ethos and interpretive practices for a contemporary Pentecostal community. The Pentecostal hermeneutic is a three way interaction for theological meaning between the Holy Spirit, the Pentecostal community, and sacred Scripture.

Long,2020-09-05 The Inductive Bible Study movement has greatly impacted the global church; its influence continues to spread. One of the movement's most seminal advocates and educators, Robert A. Traina, who authored *Methodical Bible Study* and *Inductive Bible Study*, with David R. Bauer, posthumously left substantial unpublished material on *Method in Bible Teaching*. Along with this 54 page essay, this volume assembles twenty essays by educational and church leaders who aptly treat issues of teaching IBS across the curriculum in the church and for the academy.
