American Reich Eric Lichtblau, 2026-01-06. From the Pulitzer winning author of the New York Times bestseller *The Nazis Next Door*. A deeply reported exploration of the violent resurgence of hatred and white supremacy through the lens of Orange County, California, ground zero for racial extremism and the story of one brutal murder there that revealed the deep roots of violent bigotry as a bellwether for the country. One night in early 2018 while he was home from college, an Ivy League student named Blaze Bernstein snuck out of his parents' house in Orange County. Waiting for him in a car outside was an old high school classmate, Sam Woodward, someone who Blaze mostly remembered as a brooding, bigoted loner. But that night, after months of flirtatious messaging, Sam had succeeded in coaxing Blaze, a gay Jewish sophomore at UPenn, out for a rendezvous. No one would ever see him alive again. In *American Reich*, veteran investigative journalist Eric Lichtblau uses the story of Blaze's life and death to shine a light on the epidemic of hate in Southern California and increasingly the nation as a whole. Orange County has long been a bastion of the ultra right, carved out of farmland as a haven for wealthy whites fleeing the diversifying metropolis to the north; it was the birthplace of the far right John Birch Society, a hub for neo-Nazi recruitment, and a powerful springboard for race baiting Republican politicians including Richard Nixon and Ronald Reagan. But in the years leading up to Blaze's disappearance, Orange County was changing like the country as a whole.

it was rapidly diversifying to the outrage of many of its white residents No one was more opposed to the changes than America s resurgent neo Nazi groups one of which had recently gained a new member Sam Woodward Revealing how Orange County has exported racial hatred to the rest of the country and the world American Reich weaves this tragic tale together with stories from across the nation showing what this haunted place and the colliding paths of two of its residents reveal about America s fractured soul and our hope for healing *Facebook Ads 2025: The Ultimate Step-by-Step Strategy to Grow Your Business* Logan Preston Hayes ,2025-07-10 Master Facebook Ads in 2025 Fast Clear Results Driven Facebook Ads 2025 provides a powerful up to date roadmap for marketers entrepreneurs coaches and small business owners seeking real growth through Facebook advertising Whether you re just starting out or already running ads this guide delivers what works right now What You ll Learn Inside 2025 s latest tactics Leverage Meta s newest features AI tools dynamic creatives and optimized ad formats to stay ahead Step by step campaign setup Built from the ground up create launch and manage profitable campaigns without guesswork Targeting tracking scaling strategies Master audience targeting and budget scaling so ads grow with your business Clear visuals walkthroughs Screenshots and diagrams guide every step just like top rated FB Ads books praised for being very clearly written and easy to understand Why This Book Helps You Succeed Save time money Avoid wasted ad spend launch campaigns confidently with proven methods Boost ROI predictably Learn to optimize campaigns efficiently spend minutes not hours each week Scale without stress Understand how to gradually increase budget without disrupting performance Stay current Regularly updated for 2025 so you re working with the newest tactics not outdated advice Perfect For Marketers aiming to scale lead generation sales funnels or e commerce revenue Coaches creators consultants wanting to fill programs using ads that convert Small business owners seeking a clear roadmap to grow brand awareness and sales Beginners and pros alike easy to follow for newcomers yet filled with advanced strategies for experienced advertisers Ready to Grow Stop wasting time on trial and error With Facebook Ads 2025 you ll have a tested step by step system to launch winning campaigns scale smartly and grow your business faster than ever Grab your copy now and give your ads the edge they deserve in 2025 *Facebook Marketing 2025: Complete Course for Beginners to Maximize Conversions* Peter Verner Hansen ,2025-07-18 Dominate Facebook Marketing in 2025 Even as a Beginner Master the latest Facebook strategies with Facebook Marketing 2025 your complete up to date course designed to help non experts launch optimize and scale high converting ad campaigns Whether you re building an e commerce brand growing a service based business or boosting your side hustle this hands on guide gives you the tools to succeed What You ll Learn Why It Matters Foolproof Campaign Setup From objective selection to budget breakdown launch campaigns that work from Day 1 Audience Targeting Made Simple Go beyond broad demographics learn layered targeting look alikes and interest based segments Engaging Creatives That Convert Step by step guidance on crafting visuals headlines and copy that grab attention and trigger actions Performance Analytics Demystified Learn how to track key metrics like CTR CPC and ROAS with simple
