For over twenty years Ittay Flescher has worked as an educator, journalist and peacebuilder in Melbourne and Jerusalem. When he woke up on the morning of October 7 2023 to the sounds of rocket sirens over Jerusalem and later saw the devastation of Gaza in response the grief and sadness that engulfed him and so many others compelled him to ask how can we find a way forward. Following years spent facilitating dialogue between Jews, Muslims and Christians, Ittay believes that peace can only be found if we are willing to empathise with the pain of others. **The Holy and the Broken** challenges Palestinian and Israeli leaders, citizens and their supporters across the world to imagine a different reality to look at history with a different eye and to search for moments of engagement rather than resentment in the narratives of the past that each side tells about itself. Ultimately it is a story that aims to comfort the troubled and trouble the comfortable. Praise Courageous and considered. Ittay nurtures the tender, fragile shoots of peace. The world could do with more people like him. Paul Kelly Australian singer-songwriter and guitarist. A book of rare insight and compassion. **The Holy and the Broken** offers the one thing we thought we'd lost after October 7 a glimmer of hope for meaningful, lasting peace between Israelis and Palestinians. Bram Presser author of **The Book of Dirt** This is a thoughtful and thought-provoking book, heartfelt and honest. You do not need to agree with everything Flescher has to say to find the book moving and challenging. Michael Gawenda former editor in chief **The Age**. This ability to empathise with the suffering on both sides is a core value of Flescher's reconciliation work and the underpinning to many of the options he outlines. Dr Anne Sarzin Jwire As challenging and as contemporary as it is compassionate. In a world broken by war and polarisation, Ittay offers peaceful possibilities and nuanced perspectives. Rabbi Ralph Genende OAM author of **Living in an Upside down World**. **The Holy and the Broken** breaks new ground. Yet what makes it truly singular is its consistent humanity and its centring of ordinary Israelis and Palestinians. John Lyndon executive director Alliance for Middle East Peace. This account of the writer's devotion to peacebuilding in our war-torn region is a shining testament to what can and should be done by those who can imagine a future peace. It lights a candle in an age of darkness. Sari Nusseibeh author of **Once Upon a Country A Palestinian Life**. When you finish it you will not only know more about what's happening between the

Jordan River and the Mediterranean Sea but you will also know more about yourself Maoz Inon Israeli peacemaker and social entrepreneur A powerful testament to the possibilities of reconciliation and mutual empathy during conflict what sets this book apart is its commitment to showcasing the experiences of the diverse individuals involved especially the integral yet frequently overlooked stories of women By highlighting the gender dynamics at play Flescher enriches our understanding of the conflict and underscores the importance of supporting a world where more voices are heard and valued Sheila Katz CEO National Council of Jewish Women When I picked this book up I erroneously believed I already understood much about the ongoing collective trauma of Palestinians and Israelis But this thoughtful and deeply compassionate book shattered that illusion By the time I put the book down I was not the same person Miriam Anzovin creator of Daf Reactions and Jewish Lore Reactions

Instagram Secrets Alexander Vinci,2021-09-04 Do you want to know how Instagram really works and what mindset you must have to succeed in this platform If you just starting reading through this guide and are thinking that your business isn't an eCommerce business and so Instagram isn't the place for you think again Remember the key proposition that Instagram brings is visualization Consider these examples 1 You're a real estate agent and want to highlight the newest mountain home that you have on the market 2 You are a world class hospital that just released a new mother's ward with beautiful birthing and stay suites with a spa like feel 3 You're a restaurant owner and want to highlight your savory and mouthwatering specials each week The above examples are all situations where nothing is actually being transacted online but the business is building brand awareness and drumming up interest so that the

consumer will visit their website or pick up the phone to learn more The mysterious Instagram algorithm While we ll never know exactly how Instagram has weighted the various data points that they put into their algorithm we do know that Instagram s back end technology now focuses on relevancy serving up the posts that are most likely to relate to certain users based on their activity on the site So every time a user clicks through a post or spends a certain amount of time looking at a certain influencer Instagram is capturing that data in some way and building it into their engine to ensure that posts that users won t care about are less likely to show up in their feed We do know however that Instagram is looking at the following Timely content This is all about recency meaning if a user hasn t logged in for a while they won t have to scroll through outdated and no longer relevant posts They ll be shown timely content that matters to them Interest This is really the secret sauce as Instagram is paying attention and will serve content that it believes the user will be interested in Relationships Instagram knows what photos users tag and where they comment So if a user has interacted in some way with certain brands in the past they are far more likely to be served content from that brand or similar brands in the future For marketers this is a great thing It means that as Instagram learns more about your brand your posts and advertisements are more likely to get in front of your niche or target audience A few notes about Instagram Shopping With the release of Instagram Shopping in late 2016 Instagram literally turned their platform into an online marketplace While it is still a common practice to include website links to your business site and even to a product page now it is possible to allow the customer to transact directly on the Instagram platform For businesses that want to enable the Shopping capability they need to meet the following requirements You must have an Instagram business profile That business profile needs to be connected to a Facebook catalog Your company s registered headquarters location must be located in one of the Instagram approved countries Items for sale must be physical goods that comply with the trading guideline and terms of use set forth by Instagram As this Instagram Marketing Guide is intended as a resource for those getting started with Instagram marketing we will not be providing a deep dive of the Instagram Shopping capability Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book
