Caffeine Before Curses Christine Pope, 2022-03-29 When a movie shoot ends in murder a caffeine fix might be the star s only hope Skye O Malley s grandmother always told her she inherited the Sight But other than an occasional message from a blob of tea leaves or a vague dream Skye doesn t think she s anything special since she can t even predict which of her coffee shop customers will order hard core black or fancy frou frou with extra foam The only instinct she can rely on is the jangly feeling that something is about to happen Like when her best friend and only employee

Deanne tells her that a film crew is coming to their hometown of Las Vegas New Mexico The lead is Hollywood s hottest action movie star Max Sullivan who just happens to be Skye s former boy next door and her lifelong unrequited crush Just having him around unbalances Skye s carefully curated existence But when she starts having disturbing dreams involving Max and a prop gun she can t ignore them Especially when the film s notoriously unpleasant director turns up dead and the evidence points to one prime suspect Max Max needs a miracle not a not quite witch But he s placing all his trust in Skye and her murky tea leaves to help him find the real culprit before the actual murderer gets away clean KEYWORDS witch psychic medium telepath movie star hero actor hero celebrity hero small town romance small town mystery opposites attract cozy mystery cozy witch mystery coffee shop kitchen witch *Lattes and Levitation, Books 1-3: Caffeine Before Curses, Muffins After Magic, and Pastries and Prophecies* Christine Pope,2023-11-10 Las Vegas New Mexico isn t exactly sin city but that doesn t keep this quiet little town from seeing its share of unexpected murders And while Skye O Malley owner of the Levitation Latte coffee shop might be doing her best to lead a quiet life she finds herself called to bring her talent reading tea leaves and having a prophetic dream here and there to solve those crimes Lattes and Levitation is a lighthearted small town mystery series with an overarching romance subplot carries throughout the books This boxed set includes the first three books in the Lattes and Levitation paranormal cozy series Caffeine Before Curses Skye s witch powers are nothing special When a film crew comes to town though those powers are put to the test when the film s star her unrequited crush is accused of murder Max needs a miracle but if Skye s tea leaves are too murky a killer could get away clean Muffins After Magic When Skye and Max discover the dead body of the town mayor in the harvest festival s corn maze Skye pushes her magical boundaries with the help of YouTube how to spellcasting videos Now not only does she have a highly annoyed talking cat a murderer has taken notice Pastries and Prophecies Skye had hoped February would involve surprises like Valentine chocolates not the mother who abandoned her showing up out of the blue to teach her about the family magic But when her mother is accused of murder Skye s efforts to prove her innocence could make her the next to die KEYWORDS witch psychic medium telepath movie star hero actor hero celebrity hero small town romance small town mystery opposites attract slow burn romance cozy mystery cozy witch mystery coffee shop kitchen witch boxed set omnibus bundle *Muffins After Magic* Christine Pope,2022-05-24 When a witch changes lanes without signaling the result is magical mayhem It s not a date At least that s what Skye O Malley tells herself when A list actor Max Sullivan invites her to their hometown s annual harvest festival He s just grateful she helped him clear his name of murder charges that s all It s a friendly platonic outing as innocent as a batch of pumpkin chocolate chunk muffins Until they make a grisly discovery in the corn maze A dead body And not just any dead body it s the town s mayor The last thing Skye needs is to get tangled up in another murder case especially considering her unreliable psychic skills But Max has such unwavering faith in her potential she reluctantly consults her tea leaves Which show her nothing but good luck symbols Maybe it s time to push her boundaries a little However consulting

YouTube for spellcasting how to videos probably wasn't Skye's best choice. Because not only does she now have a highly annoyed talking cat to deal with, a murderer has taken notice of her activities and will stop at nothing to remind her she should have stayed in her own lane.

When a movie shoot ends in murder, a caffeine fix might be the star's only hope. Skye O'Malley's witch powers are nothing special.
