## Basic Economic concepts and gains from trade

Q: What is Economics?

A: Economics is the study of how society manages its scarce resources.

Q: What is scarcity in our society?

A: Scarcity means that society has limited resources and cannot produce all the goods and services people wish to have.

Q: What's Opportunity Cost?

A: Opportunity cost (Economics Cost) is the process of choosing one good or service over another. The item that you don't pick is the opportunity cost. The value of the next-best alternative that must be forgone in order to undertake the activity

Q: What is the law of increasing opportunity cost?

A: The opportunity cost of each additional unit of product is greater than the opportunity cost of the preceding one. Producers use the resources with the lowest opportunity cost before turning to those with higher opportunity costs.

Q: What is Production Possibilities Frontier?

A: A graph that shows the combinations of output that economy can possibly produce given the available factors of production and the available production technology.

Q: What is absolute advantage?

A: The producer that requires a smaller quantity of inputs to produce a good is said to have an absolute advantage in producing that good.

Q: What is comparative advantage?

A: The producer who has the smaller opportunity cost of producing a good is said to have a comparative advantage in producing that good.

Q: How and why does a producer need to specialization in production?

A: Producers would be better off if they specialize in producing the product they are more suited to produce, and then trade with each other.

Q: What are gains from Trade?

A: Whenever potential trading parties have differences in opportunity costs, they can each benefit from trade.

This book attempts to answer the question what on earth is the Marxist political philosophy The author discusses Karl Marx's vision of the good life and the good society focusing in particular on the interrelationship between property and justice Strictly speaking the subject of this book should not be placed within an a priori conceptual framework which essentially focuses on academic notions of the good society good government and justice However for the purposes of this book Marxist political philosophy namely communism is already embodied in two aspects This book argues that it is the noisy and confusing modern political philosophy that obscures the actualization of human nature unfolded by the Marxist political philosophy before us The book will be essential reading for students and scholars of philosophy Marxism Chinese studies and Chinese Marxist philosophy    **Microeconomics and Study Guide** Robert Pindyck, Daniel Rubinfeld, 2012-07 This package contains 0013285712X Microeconomics 0132870495 Study Guide for Microeconomics    **Business Economics** Richard
