Roblox Events Reviews Alternatives:

Routledge Handbook of Sport and Social Media Andrew C. Billings, Marie Hardin, 2025-04-23 This handbook takes an in depth look at the transformative impact of social media on sport. With broader and deeper coverage than any previous book on this topic the handbook explores how sports media is co created and curated collectively at the individual group and organisational level and considers the implications for the ways in which sports media through social media infiltrates our lives and influences local and global culture. Exploring key concepts and presenting original case studies the book features work by world leading international sports media scholars. It discusses the theoretical lenses through which we can understand social media and sport from political economy and cultural dynamics to business and management and explains the significance of global social media platforms. The book then presents a multi level exploration of sport and social media including social media use by fans athletes teams leagues and media organisations. Offering important new insight into a technology that now sits at the centre of our social and economic lives this book is important reading for any researcher student practitioner or policymaker with an interest in sport media sport business sport cultures digital media technologies digital business or the broader relationships between sport media and wider society

Game Usability Katherine Isbister, Celia Hodent, 2022-03-13 This book introduces the basics in game usability and overall game UX mindset and techniques as well as looking at current industry best practices and trends. Fully updated for its second edition it includes practical advice on how to include usability in already tight development timelines and how to advocate for UX and communicate results to higher ups effectively.
