Development: Lua Essentials A.E. Colonna, 2023 Roblox is a gaming platform that not only introduces kids to the metaverse of games but also a creator friendly hub that offers developers the opportunity to showcase and improve their talents. In fact 12 million creators call Roblox their home with the platform delivering 29 million gaming experiences since 2008. Even better creators are given a chance to publish and monetize their games. In 2021 alone Roblox paid over 500 million to creators for purchasable items in game. But the real question is can you really create your own game even without a programming background? YES! This is precisely why this book is here to equip you with the basics, solidify your fundamentals, and walk you through the whole coding process without getting overwhelmed by a plethora of codes on the black screen.
