video games. Later chapters look ahead to the metaverse and mega narrative interrogating what happens when stories stretch across films, comics, novels, streams and persistent online worlds and how the tools of game storytelling help us make sense of these tangled universes. He also examines storytelling in games and VR and asks what the future of interactive storytelling might look like as AI, virtual reality and new platforms accelerate the collision between the player's world and the fictional one. Accessible yet rigorously informed by game studies narrative theory, *When Worlds Collide* is both an introduction for newcomers and a thoughtful video game narrative design guide for working professionals and students. Whether you are a novelist, screenwriter or playwright, curious about writing for games, a game designer or developer who wants to understand story craft, a narrative designer or writer looking to deepen your toolkit, a lecturer or student on a game design, creative writing or media course, or simply a player who loves story-rich games and wants to peek behind the curtain, this book will change how you see the games you play, the stories you watch and the stories you might create yourself. If you care about where narrative is going next, *When Worlds Collide* is your essential guide to the most exciting storytelling laboratory on the planet.

Reviews Drawing on his expertise as both a practitioner and a storyteller, Harvey skillfully examines the ways in which games are revolutionising how we engage with experience and create stories. Each chapter blends theory with practice, making the ideas accessible and engaging while inspiring both creators and fans alike to rethink the boundaries of narrative. Whether you're a gamer, writer or simply a lover of storytelling, *When Worlds Collide* is an eye-opening and thought-provoking read that will forever change the way you look at stories.

Damien Goodwin, *Star Wars: Outlaws*, The Casting of Frank Stone, Returnal, People often ask why I care about storytelling in games. From now on I'll just give them this book.
