Anxiety Relief Compare Tutorial:

The M&A Transition Guide Patti Hanson, 2002-02-28 Provides a practical 10 step process for managing the human aspect of an M&A activity. The importance of this activity is higher than ever, with acquisitions becoming an important part of every company's growth strategy. The industries heavily engaging in this activity are high tech, emerging technologies, and utilities. The M&A Transition Guide is written for executives, managers, and HR professionals involved with any transaction that moves employees from one company to another. Poor workforce integration is a main cause for M&A failures, and this book helps managers make the M&A transition a more positive one by providing a plan of action for the integration that focuses on ten critical steps. These steps encompass the entire M&A process, from due diligence to employee retention strategies.
