From the cofounder of a 40 billion software company comes an invaluable guide packed with 1 trillion worth of advice from some of the world s most successful and recognizable entrepreneurs Over the past 20 years first as an early employee at Salesforce and later as a cofounder of Okta a publicly traded software company now valued at over 40 billion Frederic Kerrest has met the most successful entrepreneurs and investors in Silicon Valley and beyond He s discussed every angle of

entrepreneurship with them what works what doesn't and what to do when things get rough and he's taken notes. The result is this unmatched blueprint for building and growing a business drawn from his own experience as well as that of his fellow visionaries and business leaders who have collectively built over 1 trillion worth of wealth for themselves and their investors. They include Marc Andreessen and Ben Horowitz, Andreessen Horowitz, Eric Yuan, Zoom, Stewart Butterfield, Slack, Aneel Bhusri, Workday, Julia Hartz, Eventbrite, Aaron Levie, Box, Fred Luddy, ServiceNow, Melanie Perkins, Canva, Patty McCord, Netflix, Sebastian Thrun, Udacity, and dozens of other luminaries. These ideas and practices aren't taught in business schools. They've been learned the hard way through trial and error in the real world of business. Kerrest has battle tested them himself so he knows their power. Organized by topic in roughly the order that leaders will encounter them as they scale their businesses, this book is the ultimate guide to taking a company all the way from founding to IPO and beyond.

The demand for local fast courier and delivery services is booming. Independent local couriers can provide the services that are in demand like same day deliveries that are just not available from UPS or FedEx. What does a courier do? They pick up and deliver packages, documents, even pets for businesses and individuals. This service is always in demand even in smaller towns as there is always someone who needs a package or document delivered today. A courier service is the perfect shoestring startup as it requires very little money to start. All you need is a reliable vehicle and a smartphone. No formal training is required just the ability to communicate clearly with customers. Your new courier business can be home based. This reduces overhead costs and your only commute is to your next customer.
