**Impact** Keith V. Lucas, 2025-08-19 *Impact* explores the people and culture teams need for sustained innovation and problem solving This transformative guide is aimed at leaders who have earned their roles through subject matter expertise a capacity for impact and innate leadership skills and who now face the challenge of building innovative teams This is the high impact engineer turned manager or the rising scientist turned lab director or the founding startup executive Subject matter proficiency and leadership intuition can initially take leaders far but team performance ultimately hits a wall when leaders lack team building expertise *Impact* guides individuals across the leadership spectrum from the new player coach to the seasoned team builder helping them sidestep common scaling pitfalls such as diminished team impact lower productivity culture dilution disempowerment and loss of focus It presents a two tiered framework that examines culture as a system and leadership as a discipline The first tier offers team wide practices to

drive focus cultivate alignment and unlock collective brainpower and horsepower The second tier provides individual centered practices to ensure the team hires promotes and retains those most likely to contribute to the mission Drawing from Keith V Lucas s direct experience in building teams and advising startups Impacts offers practical insights for effective team building and leadership

*The Routledge International Handbook of Children, Adolescents, and Media* Dafna Lemish,2022-05-30 This second thoroughly updated edition of The Routledge International Handbook of Children Adolescents and Media analyzes a broad range of complementary areas of study including children as media consumers children as active participants in media making and representations of children in the media The roles that media play in the lives of children and adolescents as well as their potential implications for their cognitive emotional social and behavioral development have attracted growing research attention in a variety of disciplines This handbook presents a collection that spans a variety of disciplines including developmental psychology media studies public health education feminist studies and the sociology of childhood Chapters provide a unique intellectual mapping of current knowledge exploring the relationship between children and media in local national and global contexts Divided into five parts each with an introduction explaining the themes and topics covered the Handbook features over 50 contributions from leading and upcoming academics from around the globe The revised and new chapters consider vital questions by analyzing texts audience and institutions including media and its effects on children s mental health children and the internet of toys media and digital inequalities news and citizenship in the aftermath of COVID 19 The Handbook s interdisciplinary approach and comprehensive current and international scope make it an authoritative state of the art guide to the field of children s media studies It will be indispensable for media scholars and professionals policy makers educators and parents
