**Write Your Best Book Now!** Earma Brown, 2009-08-29 Do you have expert knowledge to share Have you considered putting it in a non fiction book Writing about your passion your cause or expertise is one of the easiest ways to write a book In the Write Your Best Book Now How To Write A Book In 100 Days author and book writing coach Earma shows you how to develop a saleable book idea including how to clarify your idea develop a table of contents chapter outline create book matter parts develop a 1 page book proposal or prepare to self publish Discover how to Add selling power to every aspect of your book through passion points before writing chapter one Mine the gold called your knowledge and make it easy to complete your book in 100 days Transform repackage and repeat your book s core information so you can leverage life long profits Make your dream of writing and publishing a book a reality The insightful guidance provided in How To Write A Book In 100 Days will lead you step by step to a successful saleable book *The Meme as the Message* Joanna Nowotny, Julian Reidy, 2025-10-31 This book sheds light on the phenomenon of memes covering everything from pandemic humour to far right propaganda from feminist memes to algorithmic censorship Memes are far more than light entertainment they are complex cultural artefacts that play a role in politics in art and in platform economics Taking a cultural studies perspective the authors analyse individual memes in entertaining case studies systematising their findings in order to redefine this digital form of communication Chapters connect memes with other digital phenomena such as trolling and combine extensive close readings of exemplary individual memes with regards to form and aesthetics with an acute awareness of power dynamics and other context phenomena surrounding memes The book develops an innovative theoretical approach that presents the term memesis to capture the very specific quality of meme production and reception as a form of collective creative rewriting of a template in accordance with algorithmic logic Offering an important contribution not only to the still young field of meme studies but also to the general negotiations of questions around digital literacy this book will interest not only scholars and students of digital media visual communication cultural studies and media and politics but anyone with a keen interest in digital culture and how it shapes our lives *Social Media and Sports* Galen Clavio, 2021 Social Media and Sports provides a holistic view of the impact of social media on sports communication teaching conceptual understanding and creative skills for social media strategy content creation and execution **Iconizing of Literature, Art, Humanities, and Science** Paula Wojcik, Sophie Picard, Hannes Höfer, 2025-09-30 Why do people wear shirts with the Shakespeare quote to be or not be or a portrait of philosopher Slavoj i ek How does popular and mass media adaptation and appropriation influence theoretical or literary concepts like deconstruction or the Kafkaesque Why are Lolita Leonardo Da Vinci s Mona Lisa and Einstein ubiquitous and yet Leopold Bloom Francisco de Goya s The Naked Maja and Le Szil rd are not Our answer is simple because some works persons literary characters pieces of music or even theoretical concepts are cultural icons Cultivated by expert and in popular culture they become representatives of what is considered to be outstanding or even a peak of human culture

As cultural icons they are venerated and sometimes desecrated in manifest or metaphorical iconoclasm. By exploring cultural icons and their role in popular culture the contributions from the fields of theology musicology history fine arts linguistics film studies literary studies media studies and cultural studies provide a deeper understanding of the ways in which cultural meaning and value are created communicated and disseminated in our daily lives This is an open access book

Alternative Food Politics Michelle Phillipov, Katherine Kirkwood, 2018-12-07 Media interest in food has intensified in recent years leading to a contemporary food landscape where alternative food practices are increasingly visible Concerns that were once exclusively the domain of activist movements motivated by environmental animal rights health and anti corporate agendas are now central to primetime television cooking shows mobile apps and social media This book is the first to explore the impact of popular media and culture on contemporary food politics Through examination of a range of media and cultural texts including news digital media advertising and food labelling it brings together leading and emerging scholars in food studies media and communications sociology law policy studies business and geography The book explores the practices of alternative food movements the marketing techniques of conventional and alternative food producers and the relationships between food industries media and the public Covering topics ranging from agtech start ups and social justice projects to new ways of mediating food waste celebrity and ethical foods Alternative Food Politics reveals the importance of media as a driver of food system transformation This is a pivotal time for media and food industries and this book is essential reading for scholars and students seeking to better understand the futures possibilities and limits of food politics today

Humour Translation in the Age of Multimedia Margherita Dore, 2020-11-02 This volume seeks to investigate how humour translation has developed since the beginning of the 21st century focusing in particular on new ways of communication The authors drawn from a range of countries cultures and academic traditions address and debate how today's globalised communication media and new technologies are influencing and shaping the translation of humour Examining both how humour translation exploits new means of communication and how the processes of humour translation may be challenged and enhanced by technologies the chapters cover theoretical foundations and implications and methodological practices and challenges They include a description of current research or practice and comments on possible future developments The contributions interconnect around the issue of humour creation and translation in the 21st century which can truly be labelled as the age of multimedia Accessible and engaging this is essential reading for advanced students and researchers in Translation Studies and Humour Studies
