Reading comprehension Test

1 Read the text carefully.

My name is Jessica and I am an Australian student. I am thirteen years old and I live in Sidney with my parents and my sister, Ruth. My mother is a nurse and my father is a doctor. They both work in a hospital.

I am a very active girl. I like playing tennis and swimming. I play tennis twice a week.

I usually get up at half past seven. I have a quick shower, get dressed and then I have breakfast with my family. After breakfast I always brush my teeth.

At twenty past eight my sister Ruth and I go to school by bus. Lessons start at nine o'clock. We have lunch in the school canteen and in the afternoon we have lessons again. We always go home at four o'clock. At five o'clock we have a snack and then we do the homework. We usually have dinner at eight o'clock and, after dinner, I watch TV or read a book. I love reading. Ruth doesn't like reading so she plays computer games. We go to bed at half past ten because we get up early.

2 All these sentences are false. Correct them.

a) Jessica isn't a student.

b) She plays tennis three times a week.

c) She is an only child.

d) She gets up late.

e) She doesn't have a shower in the morning.

f) Jessica and Ruth go to school by car.
