That was it. The story of the story, the blurring of biography
and inspiration, the understanding that de Saint-Exupéry was
telling as much to his young self - and the lost child in all of
us, as well as to his young readers. I was hooked. Finally, I fell
in love with *Le Petit Prince*.

It is a gem of a book, a beautiful and delicate fable
story of love and friendship, a reflection on how to dis-
cern what matters and what does not. It is a parable and
a fable rolled into one, a story about innocence
and experience, about stripping away the resticting and de-

Waxler,2017-08-29 Bringing together strands of public discourse about valuing personal achievement at the expense of social values and the impacts of global capitalism mass media and digital culture on the lives of children this book challenges the

potential of science and business to solve the world's problems without a complementary emphasis on social values. The selection of literary works discussed illustrates the power of literature and human arts to instill such values and foster change. The book offers a valuable foundation for the field of literacy education by providing knowledge about the importance of language and literature that educators can use in their own teaching and advocacy work. **Improving Reading and Reading Engagement in the 21st Century** Clarence Ng, Brendan Bartlett, 2017-05-31. This book presents cutting edge research findings in areas critical to advancing reading research in the 21st century context including new literacies, reading motivation, strategy, instruction, and reading intervention studies. While students' reading performance is currently receiving unprecedented attention, there is a lack of research that adopts an international perspective and draws on research expertise from different parts of the world to present a concerted effort discussing key research models and findings on how to improve reading education. Addressing this gap in the literature, the book also responds to the challenge of promoting higher levels of literacy and supporting and developing readers who can enjoy and critique texts of every genre.
