Online Why Stand Up Matters Comedians Manipulate:

Why Stand-up Matters Sophie Quirk, Funny lively and unpredictable stand up comedy is above all a medium to be enjoyed Popular as a good night out and packing the TV schedules stand up permeates British society and culture But ubiquitous though it is we are generally reluctant to consider stand up s social consequences When comedians offend we seem ready to consider the potential for stand up to do some wider harm yet we rarely consider the good that stand up might do This book looks at the social and political impact of stand up comedy in both its positive and negative forms It demonstrates how comedy audiences allow themselves to be manipulated and the potential harm and material benefits that may arise from just being funny Inequality in Contemporary Stand-Up Comedy in the UK Claire Sedgwick, 2024-04-25 This Pivot explores the cultural economy of comedy in the UK looking specifically at the links between industry practices and structures and who produces comedy in the UK The research is based on interviews with comedians in the East Midlands significantly this demographic has been historically under researched in studies of precarity where the East Midlands is typically overlooked in discussions of arts funding and access in favour of a more simplistic north south divide narrative Similarly whilst there has been increased discussion of the precarity of the creative and cultural industries as well as media articles on the difficulty of breaking into comedy as a member of a marginalised group there has been relatively little academic research to support this While Friedman s work in particular has been helpful for understanding the link between comedy producers class and taste making there has been less attention paid to the sociologies of work within comedy This book fills these gaps in research by exploring the experiences of comedians in the East Midlands contributing to the rich body of scholarship on inequality in the cultural industries and promoting a better understanding of the impact of structural inequalities and precarity on access to the cultural industries **Conversations Online** P. J. Connolly, Juan de la Cierva Postdoctoral Fellow P J Connolly, Sanford C. Goldberg, Chester D Tripp Professor of Philosophy Sanford C Goldberg, Jennifer M. Saul, Waterloo Chair in Social and Political Philosophy of Language Honorary Professor of Philosophy Jennifer M Saul, 2025-05-15 This book the first collection of its kind collates work from numerous philosophers of language on a diverse range of topics that arise in online conversation East and Southeast Asian Stereotypes in Western Comedy Natcha Chirapiwat, 2025-11-01 This book charts the representation of East and Southeast Asian ESEA people in popular performance and media in the US and UK from 1848 to the present day It offers a comprehensive guide to understanding the major stereotypes their historical evolution and their persistence in contemporary comedy and performance By delving into this rich history readers are encouraged to critically examine the representations they encounter and create The chapters cover pivotal topics such as the impact of large scale ESEA immigration international relations through major wars and the role of comedy in perpetuating stereotypes Through detailed case studies from Vaudeville scripts to modern stand up comedians this book reveals how these stereotypes have been reinforced subverted or transformed over time Readers discover how

historical events shaped Western perceptions of ESEA cultures and how these perceptions continue to influence media today This book is an essential resource for scholars students and anyone interested in media studies cultural history or racial representation It provides valuable insights into the power structures that have shaped societal norms and offers a critical lens for analysing racial stereotypes in performance Whether you re a researcher or an interested lay reader this book invites you to explore the complex interplay between history comedy and cultural representation

The Routledge Handbook of Language and Mind Engineering Chris Shei,James Schnell,2024-04-16 The Routledge Handbook of Language and Mind Engineering is a comprehensive work that delves into the complex interplay between language culture politics and media in shaping the human mind The book is divided into five main sections each exploring different aspects of mind engineering I Political Mind Engineering II Commercial Mind Engineering III Media Culture and Mind Engineering IV Linguistic and Semiotic Analysis of Mind Engineering V Mind Engineering in Educational Settings The book provides a multi dimensional perspective on how language media culture and politics intersect to shape individuals thoughts and beliefs It highlights the diverse methods and contexts in which mind engineering occurs making it a valuable resource for scholars researchers and policymakers interested in understanding the complexities of contemporary discourse and manipulation of human thought The contents of this cutting edge handbook will engage all undergraduate postgraduate PhD students and scholars and researchers at all levels in fields such as languages linguistics politics communication studies media studies and psychology Chapter 15 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY International license Chapter 17 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license Chapter 18 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license

Video Games and Comedy Krista Bonello Rutter Giappone,Tomasz Z. Majkowski,Jaroslav Švelch,2022-03-26 Video Games and Comedy is the first edited volume to explore the intersections between comedy and video games This pioneering book collects chapters from a diverse group of scholars covering a wide range of approaches and examining the relationship between video games humour and comedy from many different angles The first section of the book includes chapters that engage with theories of comedy and humour adapting them to the specifics of the video game medium The second section explores humour in the contexts cultures and communities that give rise to and spring up around video games focusing on phenomena such as in jokes player self reflexivity and player fan creativity The third section offers case studies of individual games or game series exploring the use of irony as well as sexual and racial humour in video games Chapter Emergence and Ephemerality of Humour During Live Coverage of Large Scale eSports Events is available open access under a Creative Commons Attribution 4 0 International License via link springer.com

Alternative Comedy Now and Then Oliver Double,Sharon

Lockyer,2022-10-05 Alternative Comedy Now and Then Critical Perspectives is the first academic collection focusing on the history and legacy of the alternative comedy movement in Britain that began in 1979 and continues to influence contemporary stand up comedy The collection examines the contexts performances and reception of alternative comedy in order to provide a holistic approach to examining the socio political impact and significance of alternative comedy from its historical roots through to present day performances As alternative comedy celebrated its 40th anniversary in 2019 critically reflecting on its impact and significance is a timely endeavour The book adopts a distinctive interdisciplinary approach synthesizing theory concepts and methodologies from comedy studies theatre and performance communication and media studies sociology political sciences and anthropology This approach is taken in order to fully understand and examine the dynamics and nuances of the alternative comedy movement which would not be possible with a single discipline approach
